Yves Messer, the author of this paper was a fulltime member of the LaRouche's cult in 1983-94 and a contributor to their publications, involved in fundraising, recruitment and their security/ counterintelligence. Since his departure, he has relentlessly exposed internationally this criminal political cult. He is an important contributor to the Laroucheplanet website that was part of international campaigns to expose and defeat the LaRouche cult.

Did you hear this rumour bout George Soros?

The COVID-19 pandemic caused by the coronavirus 2 (SARS-CoV-2), started in China to then spread worldwide as a pandemic.

Like COVID-19, this anti-Soros CT (Conspiracy Theory) is viral, it spreads worldwide and can be considered a 'new variant ' of an older CT known as the "Protocols Of The Elders Of Zion".

Political scientist and philosopher Stephen Eric Bronner wrote and published "A Rumor about the Jews: Antisemitism, Conspiracy, and the Protocols of Zion" (2007). And this is all it takes: starting as a small rumour that gets multiplied, reinforced to morph into a CT which, although a proven forgery, is still read, believed and spread today as nonfiction! This rumour sent Jews to the Nazi gas chambers.

This anti-Soros CT spread fast thanks to the internet and social media to peak in 2018.

My paper here is the development of one of the 'case studies' I included in my coming book 2020: MENTAL & VIRAL that explores my hypothesis of mental (cognitive, emotional, social) contagions of 'mental viruses'.

Such toxic 'mental viruses' can be found in any religious, terrorist, cults or political groups. Other cases are studied like the Nazi, the Talibans, QAnon mental epidemics. They are beliefs that can all be contagious.

I (Yves Messer) will describe, detail and analyse here a process that involved not only Donald Trump and his allies (Fox News, Roger Stone, Alex Jones, to name a few) but also Israeli PM Benjamin Netanyahu, ultra-orthodox Jews and his "illiberal" Hungarian friend, PM Viktor Orbán or Vladimir Putin.

They are the "smoking guns." I will here document that most of their "bullets" were provided by the now-late cult leader and conspiracy theorist Lyndon LaRouche, a then great supporter to both Donald Trump and Vladimir Putin. LaRouche and his cult are also political and philosophical enemies of Soros' "Open Society" project as defined by philosopher Karl Popper to explain the origin and nature of totalitarianism and to combat them…

HYPOTHESIS: CONSPIRACY THEORIES (CTs)' AS 'MENTAL VIRUSES' . They can be contagious, and spread worldwide. Their host is our BRAIN cells. These anti-Soros CTs are variants of older anti-Semitic CTs.

Biological viruses cannot reproduce themselves. Yet they can multiply. The reason is that once inside us, they 'hijack' our 'host cells' or organs. In the case of 'mental viruses', their host is our BRAIN cells. This is of course just an analogy. 'Mental viruses' cannot be seen with a microscope but their effects are real, tangible and be measured.

My first inspiration for this hypothesis was taken from French philosopher and Nobel prize winner Albert Camus' 'The plague' (*La Peste*), a literary metaphor for the brown fascist plague at the time of his writing.

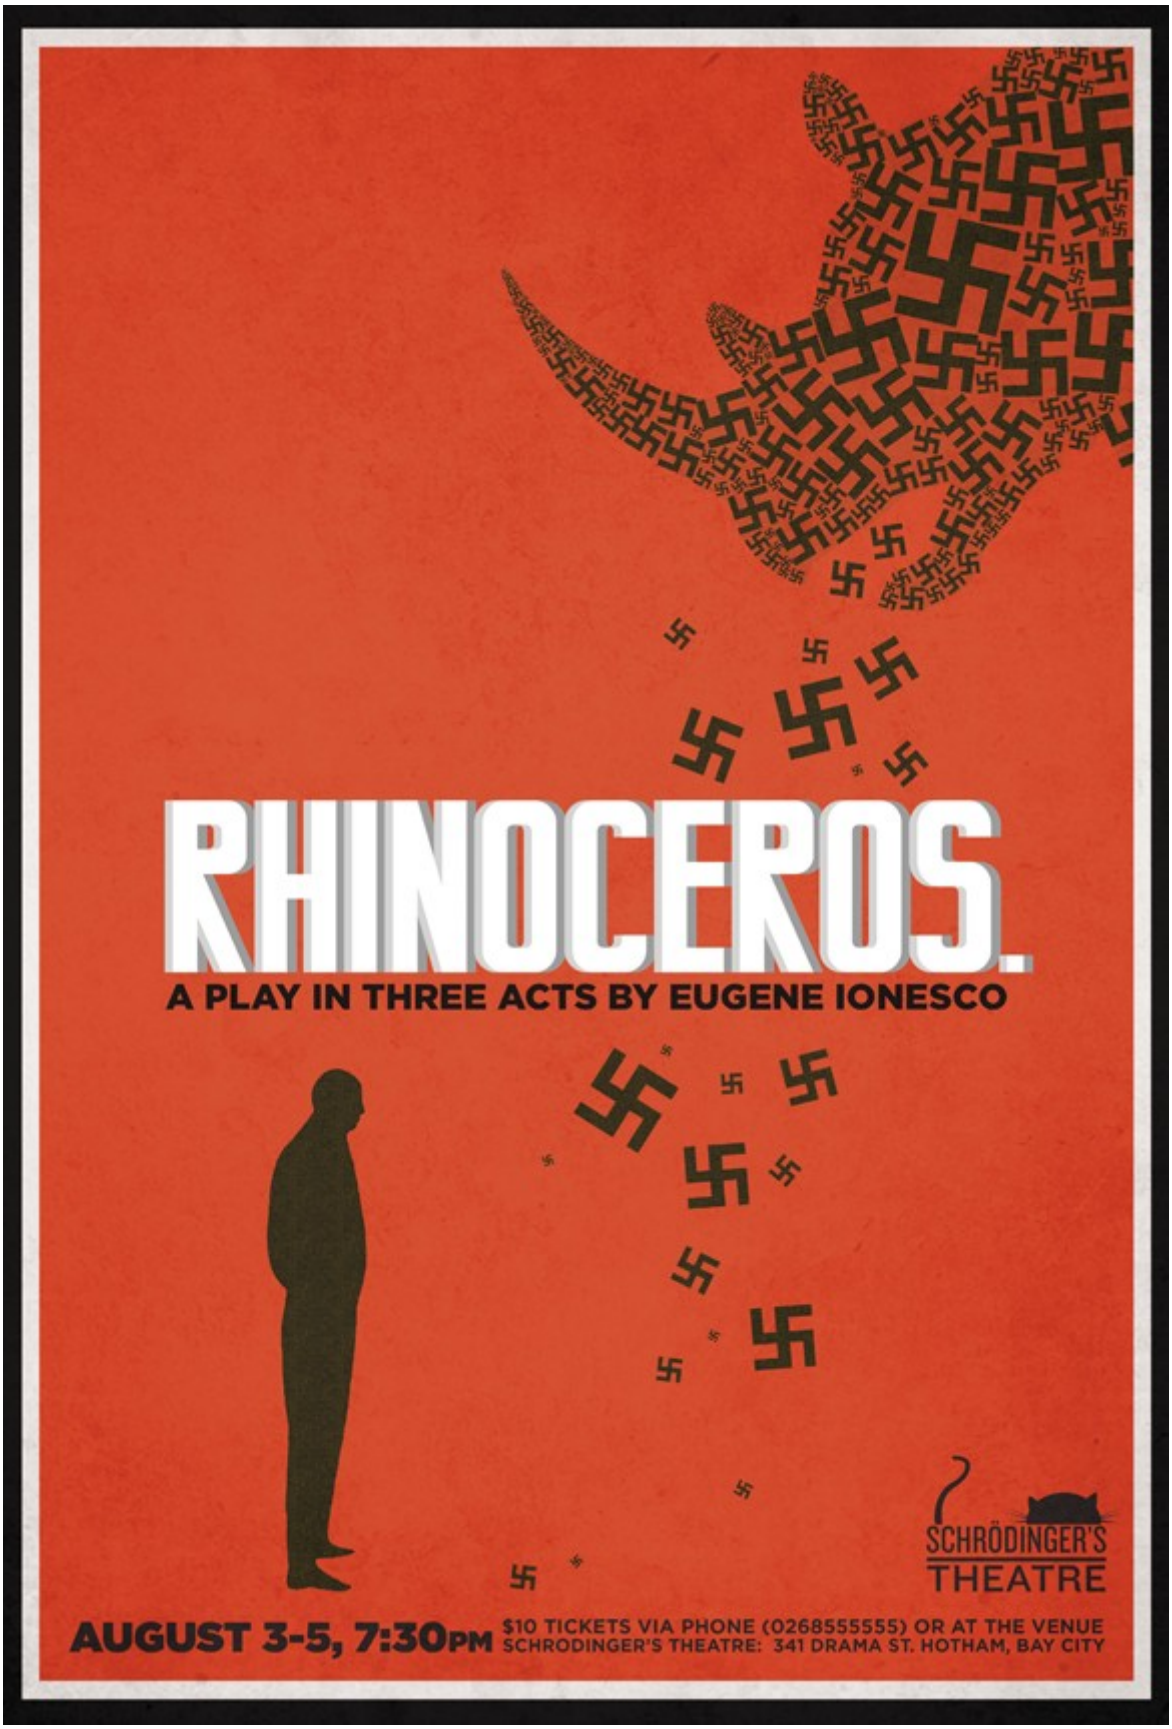
Yes, I developed this concept of 'mental virus' for the simple reason that this phenomenon is **contagious**.

I wrote in the introduction of my book 2020: MENTAL & VIRAL:

> 2020 was dominated by two different types of pandemics: caused by a new biological virus named SARS1-CoV-2 causing the Covid-19 pandemic and by another older virus, that I call a "mental virus", causing a wave of populist authoritarianism, polarism, division, racism, hatred, lies, a strain of the old fascist "mental virus" otherwise known as the "brown plague" or more simply "The Plague" (Albert Camus).
>
> I had started writing this research paper in January 2020 about the spread of an anti-Semitic conspiracy theory (CT) against billionaire investor and philanthropist George Soros. I realized that it was fabricated in the mid-1990s by some of my former colleagues still active in my former LaRouche political cult. However and like most C.Ts, this one left the fringes of politics and its absurd claims and lies that Jewish Holocaust survivor George Soros would secretly be, in fact, a Nazi became mainstream after 2008! This fabrication became mainstream in 2018. The following year saw the Covid-19 pandemic and the emergence of the QAnon political cult based on ludicrous CTs as crazy as those from the LaRouche political cult.

BRAIN-WASHING RE-DEFINED?

My other inspiration was Ionesco's play 'Rhinoceros' an explicit metaphor about the unbelievably absurd situation, in his home country Romania, where normal people turned into Fascists brainwashed wild monsters he labelled 'Rhinoceroses'.



BRAIN-WASHING can be viewed from my novel perspective as brain cells being ‘hijacked’ by such hypothesized ‘mental viruses’. They colonize and control most parts of our brain: cognitive, emotional and social. Such infected brains morph regular humans into ‘rhinoceroses’ or ‘larouchies’ as in my case.

In this case, brain-washing is not magic, it doesn’t require drugs or hypnosis. It lasts as long and deep inside as the ‘mental virus’ is kept alive and replicates itself through the brain cells.

I was at some point in my life ‘brain-washed’ by the LaRouche ‘mental virus’. So my writing here is based on a **personal experience of over ten years.**

TOWARDS A MENTAL EPIDEMIOLOGY

Over the years, the field of epidemiology has expanded to include non-infectious-disease health conditions like depression and obesity.

In epidemiology, an outbreak is a sudden increase in the number of cases of a disease. This could lead to a cluster, to an epidemic or a pandemic when the contagion goes worldwide.

In my book, I extended the field of epidemiology to the novel concept of ‘mental virus’ (CTs).

> What is epidemiology? “Epidemiology is the study of the origin and causes of diseases in a community,” explains the United States Centers for Disease Control (CDC).

In order to mitigate and stop the spread of a disease such as COVID-19, Epidemiology instructs us to develop and apply a ‘contact tracing‘ strategy. This means collecting data about the spread of a disease both in space and time.

Watch Video At: https://youtu.be/QGF-UNk3UdE

Like the case of the COVID-19 pandemic, this paper is an attempt at contact tracing the spread of the Anti Soros Conspiracy Theory (CT) 'mental virus' in space and time.

Any CT can be considered as a sort of 'mental virus' because 'mentally contagious' (socially viral) and can spread like a 'mental epidemic'.

When in 2018, this anti-Soros CT peaked on both sides of the Atlantic; commentators observed that some mainstream media were strangely treating George Soros the same way fringe Conspiracy Theorists used to.

Such analogies between a biological virus and a mental virus may offer some tested and proven strategies to mitigate and defeat biological viruses' spread and contagion which could be applied to toxic 'mental viruses'.

Here is the successful case against the 'LaRouche mental virus' which I was (and still am) involved in.

THE ANTI-SOROS CTs ARE 'MENTAL VIRUSES ' THAT CAUSE A MENTAL DISEASE KNOWN AS ANTI-SEMITISM

Michael H. Posner, a human rights lawyer and former State Department official in the Obama administration answered why:

> "He's a banker, he's Jewish, he gives to Democrats — he's sort of a perfect storm for vilification by the right, here and in Europe".
>
> *"Toxic to Democracy: Conspiracy Theories, Demonization, & Scapegoating". By Chip Berlet – Political Research Associate (2009). p16.*

These recent anti-Soros Conspiracy Theories (CTs) portray him as:

- A dangerous Jewish “boogeyman,” a “puppetmaster”
- A “drug trafficker”
- A “Nazi collaborator”
- An anti-Semitic Jew
- Not a Jew, not a Zionist
- A left-wing liberal (evil) defending progressive causes (human rights, education)
- Wants to rule the world like a god
- An atheist, a “leftist”, a “liberal” who “wants abortions”
- A banker, a speculator
- A “globalist” (against the nations) controlling the world economy
- A lice, a pig, a parasite, a pestilence

George Soros

ALL SOROS’ HATERS DENY ANY ANTI-SEMITISM.

The international Jewish non-governmental organization, the Anti-Defamation League (ADL) strongly disagrees.

I updated my first version of this essay after Putin's invasion of Ukraine in 2022.

In 2014, after invading Ukraine's Crimea, Putin and other Russian officials have been labelling Ukrainians as neo-Nazi fascists.

A Nazi Ukraine led by a Nazi Jewish leader, the president of Ukraine Volodymyr Zelenskyy?

The same 'twisted rhetoric' was used against a Jewish personality such as George Soros, a Hungarian Jew who survived the Nazi extermination …

This 'Nazi Jew' slander bears a typical Soviet and LaRouche signature.

►FROM ANTI-ZIONISM TO ANTI-SEMITISM

Some historical facts: in 1941 Kiev was the site of one of the worst Nazi mass murders of the Holocaust when nearly 34,000 Jews were rounded up and killed at the ravine of Babi Yar.

2015: GEORGE SOROS IS BANNED IN RUSSIA and his charities are considered a 'security threat'. In 2017, Russia's war on George Soros went global.

Soros' activities were eventually banned in Russia, saying his OSF organization posed a 'threat to both state security and the Russian constitution.' Russia's General Prosecutor's Office said two branches of Soros' charity network — the Open Society Foundations (OSF) and the Open Society Institute (OSI) — would be placed on a "stop list" of foreign non-governmental organizations whose activities have been deemed "undesirable" by the Russian state. Source.

> In Russia there's nothing new about accusing George Soros of trying to overthrow the government. But recently other authoritarian leaders around the world have also decided that the 86-year-old billionaire is the cause of all their troubles. Social media users have eagerly latched onto this claim, and it is spreading like wildfire.

Putin justified his invasion of Ukraine in 2022 to 'de-nazify' it.

After "Soros, the Nazi Jew", here was Zelenskyy, the other "Nazi Jew"…

The Ukrainian Jewish PM Zelenskyy was labelled a 'Nazi Jew', **just like Jewish Soros was accused of.**

Russia's Foreign Minister Lavrov doubled down, during a press conference in an interview on Italian TV programme on April 7, 2022, that Nazi leader Adolf Hitler himself "had Jewish blood" and that "for some time we have heard from the Jewish people that the biggest anti-Semites were Jewish." This was their way to "explain" why "Nazi Ukraine" was led by Volodymyr Zelenskyy, a Jewish leader… It is a pure Russian conspiracy theory to falsely accuse Zelenskyy of leading a government of Nazis. This is more than intellectual dishonesty: This is historical revisionism. It is the same "mad logic" that LaRouche has used for decades and more recently after he initiated some political activism in Russia after his release from prison in 1994.

Israel condemned the "unforgivable" comments made by Lavrov, in this Italian media interview.

Then, the Russian Foreign Minister Sergey Lavrov criticized Israeli Foreign Minister Yair Lapid, who was angered by Lavrov's remark about "Hitler also had Jewish blood." Lapid said Lavrov had made an "unforgivable and outrageous statement as well as a terrible historical error," adding that "Jews did not murder themselves in the Holocaust"!

> But on its Telegram social media channel, the Russian Foreign Ministry doubled down on its stance.
>
> "We noticed the anti-historical statements of Israeli Foreign Minister Yair Lapid, which largely explain the course of the current Israeli government to support the neo-Nazi regime in Kyiv."
>
> Moscow referred in the post to Lapid's comment that "the lowest level of racism against Jews is to accuse Jews themselves of antisemitism."

Why the Ukraine crisis is a defining moment for George Soros' OSF

Understandably, Soros' Open Society Foundations supported Ukraine:

> NEW YORK/BERLIN/KYIV—The Open Society Foundations today are pledging an initial $25 million to launch the Ukraine Democracy Fund and urge other funders to join us in supporting civil society in Ukraine in response to Russian President Vladimir Putin's assault on democracy.

This gave rise to more false rumours implying Soros and Zelenskyy, both being Jews must be 'related'!

Facebook posts stated on April 6, 2022 in a post:

> "Volodymyr Zelenskyy is a cousin of George Soros, Pentagon official says," reads the April 6 post, which is a screenshot of a tweet. The caption says, "Get out! Any other sources anyone knows of confirming this? Ohhhhh this is getting gooooooooooooood!"
>
> One of the last rumours is that these two famous Jewish figures who both oppose Putin are NOT cousins, contrary to social media claim!

> Indeed, over the last five years, we're debunked claims that Soros, a major Democratic donor, has had some kind of familial or personal relationship with Rep. Adam Schiff, Rep. Alexandria Ocasio-Cortez, climate activist Greta Thunberg and Christine Blasey Ford.

'NAZI JEWS': AN OLD SOVIET 'TWISTED RHETORIC' THE ANTI-SEMITIC LAROUCHE CULT EXPORTED TO WESTERN DEMOCACIES

In 1967, Israel launched a pre-emptive attack on pro Soviet Egypt. Within six days, the entire fight was over, with Israel dramatically overpowering their neighbors. The little nation had quadrupled its territory in a week. In response that year, Moscow launched an unprecedented propaganda campaign against Zionism considered to be a "world threat." No distinction at all is made between Zionists and Jews. Soviet anti-Zionism is an Anti Zionist and pro-Arab doctrine promulgated in the Soviet Union during the Cold War. That year, allegations of a 'global Jewish conspiracy' resurrected during the Soviet "anti-Zionist" campaign.

Surprised by Lavrov's or Stalinist Putin's anti-Semitism?

The Soviet propaganda reached Nazi-like levels. The Soviet public was saturated with racist canards. Yuri Ivanov's 'Beware: Zionism' was a 1969 book that essentially replicated 'The Protocols of the Elders of Zion'. It was given nationwide coverage alleging

that Zionism was a form of racism and sometimes argued that Zionists were similar to **Nazis**.

Anti-Zionist caricature from the Soviet magazine, Krokodil, 1972.

RED-BROWN alliance: Hitler-Stalin pact

In the Soviet Union under Joseph Stalin, anti-Semitism became official state policy which deemed Jews to be foreign and traitorous elements. Especially during the anti-cosmopolitan campaign, in which numerous Yiddish-writing poets, writers, painters and sculptors were arrested or killed. This campaign culminated in the so-called Jewish Doctors' plot, who were subjected to a show trial for supposedly having plotted to assassinate paranoid Stalin. From the mid-1950s onwards, a new wave of anti-Semitism spread in the Soviet Union inspired by Nikita Khrushchev and Leonid Brezhnev. By the early 1960s, 85 percent of synagogues had been closed.

The Molotov–Ribbentrop Pact was a non-aggression pact between Nazi Germany and the Soviet Union that enabled those powers to partition Eastern Europe between them. The pact was signed in Moscow on 23 August 1939 by German Foreign Minister Joachim von Ribbentrop and Soviet Foreign Minister Vyacheslav Molotov.

> In August 2019, the Russian Foreign Ministry marked the 80th anniversary of the Molotov-Ribbentrop pact by a social media campaign framing the Soviet-Nazi agreement as a common pre-WWII practice and blaming Latvia and Estonia for the Nazi invasion of Poland. […] Romania, Poland, Lithuania, Latvia and Estonia reacted to the Russian social media campaign by issuing a joint statement calling for a collective European effort to counter "disinformation campaigns and attempts to manipulate historical facts."

Putin and his regime come from Soviet Russia. They are nostalgic of Stalin and want to 'Make Russia Great Again' (MRGA).

2018: CONSPIRACY THEORIES (CTs) AGAINST SOROS GO MAINSTREAM The anti-Soros hysteria reached a high point in 2018.

On both sides of the Atlantic, many commentators noticed that some mainstream media treated George Soros as an international bogeyman, and "Conspiracy Theories" (CTs) have moved from the fringes to the mainstream. These smear campaigns against "liberal George Soros" are an adequate marker and measure of the degree which some of our liberal open democracies have moved to. Society has become more divided, polarised, and the anti-Soros CTs could appeal to both the far-right and the far-left. The political context had changed. Two years earlier, in 2016, Donald Trump was elected president of the USA, and the Brexit referendum was voted through in the UK, boosting Eastern and Western European far-right with the help of Putin's Russia.

In the U.S., the then-new U.S. President Donald Trump used his authority to validate these wild anti-George Soros' "Conspiracy Theories" (CTs) via his Tweets in 2018. Such comments coming from the most powerful man on earth have given rise to anti-Semitism. In October, the Pittsburgh synagogue shooter thought George Soros was controlling the world economy! In November that same year, pipe bombs were sent to prominent Democrats, to news organizations and among the recipients was… George Soros. These anti- Soros CTs have contributed anti-Semitic imagery to becoming mainstream.

Many commentators or journalists noticed that in 2018 the early anti-George Soros CT[6]s (which were then not taken seriously) have then become mainstream.

The *New York Times* wondered in October 2018 "How Vilification of George Soros Moved From the Fringes to the Mainstream**",** risking a possible answer that this must be caused by:

> … a loose network of activists and political figures on the right have spent years seeking to cast Mr. Soros not just as a well-heeled political opponent but also as the personification of all they detest. Employing barely coded anti-Semitism, they have built a warped portrayal of him as the mastermind of a "globalist" movement, a left-wing radical who would undermine the established order and a proponent of diluting the white, Christian nature of their societies through immigration. [7]

Nick Cohen from *The Guardian* noticed how much Donald Trump and his supporters are keen on believing any however absurd CT:

> During his presidential campaign, Donald Trump ruled that Americans protesting against him were "professional" agitators. Roger Stone, who has worked for the filthy wing of the right since Nixon's day, followed up by announcing he had discovered the agitators[1] were **"paid for" by none other than Soros.** [*emph. added*]
>
> Now it is commonplace for right-wing Americans to say that only Soros's corrupt influence can explain why their fellow citizens take to the streets.

That the gormless believed a straight lie was all the proof it needed. […] This is why historians take the time and trouble to shred the Labour left's claim that "Hitler was a Zionist"[3]. This is why Soros's supporters give journalists detailed rebuttals of the conspiracy theories that swirl around him.

In 2018, on both sides of the Atlantic, several commentators observed that some mainstream media were treating George Soros the same way fringe Conspiracy Theorists used to. They portrayed him as a dangerous “boogeyman,” a “puppetmaster,” a “drug trafficker” and were going as far as calling him “a Nazi,” a label being fabricated by serial conspiracy theorist Lyndon LaRouche years ago.

Watch Video At: https://youtu.be/PBsybNtzL58

In September 2019, BBC’s Mike Rudin raised this same perplexing question:

> Why is billionaire George Soros a bogeyman for the hard right?
>
> He’s a Jewish multi-billionaire philanthropist who has given away $32bn. Why does the hard right from America to Australia and from Hungary to Honduras believe George Soros is at the heart of a global conspiracy?
>
> In the UK, George Soros is also known as “The Man Who Broke the Bank of England” along with other currency speculators: on September 16, 1992, known as the “Black Wednesday UK currency crisis,” they borrowed pounds, and then sold them, helping to drive down the price of sterling on currency markets and ultimately forcing the UK to crash out of the European Exchange Rate Mechanism. Soros’s fund had sold short more than $10 billion in pounds, profiting from the UK government’s reluctance to either raise its interest rates to levels comparable to those of other European Exchange Rate Mechanism countries or float its currency. He made then a profit of $1 billion because of his short sale of US$10 billion worth of pounds sterling.

… risking an answer:

> But this bold philanthropy in support of liberal, democratic causes has increasingly made him the **bogeyman of the right**. [8] [*emph. added*]

The *Irish Times* also noted the same year:

> Three years ago, Hungary's prime minister accused billionaire George Soros of trying to flood the country with Middle Eastern migrants.
>
> In recent weeks, a similar allegation against Soros has emerged in the US: internet conspiracy theorists and some Republican politicians have accused him, without evidence, of funding a caravan of Central American migrants headed for the US border.

Asked this week whether Soros was financing the caravan, US president Donald Trump said:

> "I don't know who, but I wouldn't be surprised. A lot of people say yes." […] But it also shows how anti-Semitism and conspiracy theories have **spread from the fringes to the political mainstream, in both Europe and the US.** [*emph. added*][9]

DONALD TRUMP'S TWEETS

In the US, the then new president Donald Trump used his authority to validate these wild anti-Soros' CTs beliefs.

The same *New York Times* wrote in 2018:

> Mr. Trump references him (*Soros, note*) in Twitter posts[10] and speeches as a donor to anti-Trump protesters, and the president's family and closest advisers sometimes go much further. Donald Trump Jr. retweeted a claim this year by the comedian Roseanne Barr that **Mr. Soros is a Nazi**. [*emph. added*] And the president's lawyer, Rudolph W. Giuliani, retweeted a comment saying that **Mr. Soros is the Antichrist** [*emph. added*] whose assets should be frozen.

All these October 2018 tweets and comments coming from the most powerful man on earth have given rise to anti-Semitism.[11] On October 27, the Pittsburgh synagogue shooter thought George Soros was controlling the world economy:

> The suspected killer of 11 Jewish people in a mass shooting at a Pittsburgh synagogue frequently posted snippets of his political ideology on far-right social networking sites like Gab. He posited that George Soros, the Jewish billionaire known for contributing to liberal causes, was secretly controlling the Honduran migrant caravan, a dwindling group of about 4,000 people heading on foot to the US-Mexico border to seek political refuge from instability and gang violence as part of a wider scheme to destabilize Western democracy. […] Last weekend's attacks on the Tree of Life synagogue — the deadliest ever attack on Jews on American soil according to the Anti-Defamation League — reveal just how noxious the "Jewish puppet master" trope can be, and just how long it can survive. [12]

In November that same year, pipe bombs were sent to prominent Democrats, to news organizations and among the recipients was… George Soros.

In response, his son Alexander Soroswrote an op-ed in the New York Times stating that the hysteria and anti-Semitism targeting his father had increased dramatically in the past two years. [13]

2019: TRUMP'S IMPEACHMENT. Witness Dr. Fiona Hill considered these anti-Soros CTs as new 'Protocols of The Elders of Zion'.

During the inquiry stage of Trump's impeachment (from September to November 2019); witnesses testified in a closed-door with a deposition for ten hours before a committee of the United States Congress as part of the impeachment inquiry against President Donald Trump.

During the inquiry stage of President Trump's impeachment, witnesses such as former White House official Dr. Fiona Hill made important revelations on the extent at which these CTs are considered as serious information at the White House, including Trump's attorney Rudy Giuliani.

Dr. Fiona Hill joined the Trump administration in spring 2017 and left in August 2019, as the top Russia expert on the National Security Council. Dr. Hill had been an intelligence analyst under Presidents George W. Bush and Barack Obama from 2006 to 2009.

During her testimony, she criticized Republicans for promulgating the "fictional narrative" that Ukraine rather than Russia interfered in the 2016 U.S. presidential elections, asserting that Putin's Russia planted the story.

She also recounted that a smear campaign against her started in 2017 and began to receive death threats and other forms of harassment. She said that the harassment was ongoing while discussing a smear campaign Trump attorney Rudy Giuliani orchestrated against former U.S. Ambassador to Ukraine Marie Yovanovitch.

Her testimony was released on November 8: [14] [15]

Q: Now why did the removal of Ambassador Yovanovitch mark a turning point for you?

A: Because there was no basis of or her removal . The accusations against her had no merit whatsoever. This was a mihmash of conspiracy theories that, again, I've told you, I believe firmly to be baseless, an idea of an association between her and **George Soros.**

I had had accusations similar to this being made against me as we11. My entire first year of my tenure at the National Security Council was filled with hateful calls conspiracy theories, which has started again, frankly, as it's been announced that I've been giving this deposition , accusing me of being a Soros mole in the White House, of colluding with all kinds of enemies of the President, and, "My entire first year of my tenure at the National Security Council was filled with hateful calls, conspiracy theories, which has started again, frankly, as it's been announced that I've been giving this deposition, accusing me of being a Soros mole in the White House, of colluding with all kinds of enemies of the President, and, you know, of various improprieties.

And it seems to be extraordinarily easy, as Ambassador Yovanovitch pointed out in her opening testimony, for people to make baseless claims about people and then to seek their dismissal.

So I'd experienced exactly the same treatment that she had in the whole first year of my tenure at the National Security Council, which is a period in which Lieutenant General McMaster and many other members of staff Were targeted as well, and many people were hounded out of the National Security Council because they became frightened about their own security.

I received, I just have to tell you, death threats, ca1ls at my home. My neighbors reported somebody coming and hammering on my door. My XXX picked up a phone call to have someone call me obscenities to XXX. XXX very nervous about me testifying today as a result of that.

Now, I'm not easily intimidated, but that made me mad. And when I saw this happening to Ambassador Yovanovitch again, I was furious, because this is, again, just this whipping up of what is frankly an anti-Semitic conspiracy theory about George Soros to basically target non-partisan career officials, and also some political appointees as well, because I just want to say this: This is not indiscriminate in its attacks. […]

Q: And did you ever come to understand that Rudy Giuliani was also pressing the Ukrainians to investigate matters related to purported Ukrainian interference in the 2016 U.S. Presidentia1 election?

> A: Well, that began with the articles that I started to see in *The Hill* and others, you know, from March onwards. And I started to pay attention to this. Dr. Fiona Hill also added that:

> "Although thoroughly discredited, the document [Elders of Zion. Note] is still being used to stir up antisemitic hatred." [31]

These anti-Semitic CTs were echoed by President Trump's close friends (and of cult leader LaRouche) such as Alex Jones or Roger Stone who made outrageous anti-Semitic statements and were even smearing and intimidating some witnesses heard at the Impeachment hearings.

Dr. Fiona Hill has worked for George Soros at his "Open Society Foundation." She was previously[17] an advisory board member to a pro-democracy group [18] founded by Soros. She has been under attack by Trump confidant Roger Stone and Alex Jones, who began to smear her in May 2017, shortly after she joined the Trump administration when Stone claimed Hill was a "mole" who was planted by financier and philanthropist George Soros… Alex Jones said that he was responding to Dr. Fiona Hill because of his former *Infowars* colleague Roger Stone, who was convicted of seven felonies and awaiting sentencing, cannot.

Conspiracy theorist **Alex Jones** and **Roger Stone** purported to reveal Hill as a "Soros mole" during the May 31, 2017, broadcast of "The Alex Jones Show." Hill mentioned in her testimony that since it was announced [19] on October 11 that she was going to testify, the harassment has picked back up.

On October 12, a video-sharing platform used by Jones' *Infowars* outlet posted a "Bombshell Flashback" claiming, "Roger Stone and Alex Jones expose a major Soros operative within the Trump White House. Fiona Hill." The video included footage from Jones' May 31, 2017, show.

During the May 2017 broadcast, Jones teased that Stone "has exclusive inside intel that he's breaking right now" and that he would reveal "a major Soros mole discovered in the White House." Stone then said that, "George Soros has penetrated the Trump White House. Soros has planted a mole infiltrating the national security apparatus, a woman named Fiona Hill," before he and Jones disparaged her work in the Trump administration. [20]

Alex Jones also said:

> "**Hill is "a globalist whore of Soros, a trafficker in evil**" [*emph. added*] […] adding later during his show: "When it comes to selling this country out, she whores herself out, she whores the world out. But she's not an American, so what do you expect?" (Hill is a British-born American citizen.) [21].

LaRouche on Alex Jones' *Infowar*:

"Media Matters for America" (MMfA) reported:

[…] Jones then ranted about Hill for several minutes before saying, "So when we come back, we're going to show you this lying, stinking Soros wart's operations. And I want her ass indicted. I want her indicted for perjury. Today. Indict that **whore**." […] Jones previously [22] claimed that Soros is the head of the "Jewish mafia" and later attacked "the Jewish press" for reporting on his initial claim. He has also claimed [23] that many Ku Klux Klan members are "Jewish actors" who look like the "cast of Seinfeld" with their hoods off.

2019: MUELLER REPORT The Federal Bureau of Investigation (FBI) had opened an investigation of Russian interference" in 2016 elections. The only person under investigation in the "Mueller report" who can be related to LaRouche was Roger Stone.

The Federal Bureau of Investigation (FBI) had opened the "Crossfire Hurricane investigation of Russian interference" in 2016, including a particular focus on links between Trump associates and Russian officials and suspected coordination between the Trump campaign and the Russian government. The FBI's work was taken over in May 2017 by former FBI director Robert Mueller, who led a Special Counsel investigation whose report was made public in April 2019.

Although LaRouche was not mentioned in this report, Robert S. Mueller III is well aware of him. Indeed he succeeded William Weld as the acting U.S. Attorney and prosecutor against LaRouche in 1986. This eventually led LaRouche and some of his associates to **jail**.

The larouchies (LaRouche's adepts) reject the "Mueller report" as fake, and blame the British or Ukrainians for interfering in the 2016 U.S. presidential election against Trump.

2. **2015: REFUGEES CRISIS & RISE OF NATIONALISMS. It fuelled xenophobic and nationalist campaigns in the US (Trump) and in the UK (Brexit). Hungary's Orbán and George Soros clashed on this wave of millions of refugees into Europe, most of them Muslims from the Syria's civil war.**
3. **2016: BREXIT POSTER AND TRUMP'S MUSLIM BAN. The Brexit poster was visually designed to incite fear of unwashed masses walking towards a cleaner Britain. But worse still, the picture mimics some old Nazi propaganda.**
4. **2017: HUNGARY'S ANTI-SOROS CAMPAIGN. Billboard, after billboard, features a picture of Soros laughing, captioned, "Let's not let Soros have the last laugh." The campaign used imagery that evokes memories of the Nazi posters during the Second World War showing "the laughing Jew".**

5. **2022: RUSSIA ATTACKS 'NAZI UKAINE'**
6. **REFERENCES**

The anti-Soros conspiracy theory has spread from Orbán's Hungary to Europe's far-right movements such as Matteo Salvini's in Italy, Farage's in the UK, Marine Le Pen's in France, to Romania or Macedonia which even called for a "**de-Sorosisation**" of society. The Hungarian move against Soros followed Russia's closure of a Soros-backed institution. Russia's Putin and Israel's Netanyahu have strong links to Europe's far-right nationalist movements too.

Hungary's Prime Minister Viktor Orbán who is a determined opponent to "Soros, the **liberal**", has pushed the idea of "**il-liberal democracy**," which is bringing the spectre of the 1930s back in Europe.

Orbán's first term as prime minister, from 1998 to 2002 at the head of a conservative coalition government, was dominated by the economy and Hungary's accession to NATO. He was ousted from the premiership in 2002, after his *Fidesz* party lost to the Hungarian Socialist Party (MSzP) in parliamentary elections. In 2003 he returned to lead *Fidesz*, but, when his party lost again to the MSzP in 2006, there were calls for his resignation.

At this critical time the LaRouche cult got in contact with his circles.

Dec. 4-7, 2000; Lyndon and Helga LaRouche addressed economic policy seminar at the St. Laszlo Academy in Budapest, Hungary, with official greetings from Hungarian Prime Minister Victor Orban. Then on Dec. 11-13, 2002, Elisabeth Hellenbroich one of LaRouche's German associates prepared his new visit to Hungary. This took place at the Hungarian Finance Ministry on Dec. 12, organized by the Hungarian Economics Association, and the Hungarian Academy of Sciences' Committee on Finance. There was also another meeting at the St. Lazslo Institute. The conference at the Finance Ministry was chaired by Prof. Tamas Bacskai, former chief economist of the Hungarian Central Bank. The goal of such networking operation was to reach to Orbán again.

The latouchian organiser Elisabeth Hellenbroich is also one of the authors of LaRouche's dossiers against Soros: The secret financial network behind 'vizard' George Soros (1996).

Her husband Anno Hellenbroich (responsable of LaRouche's security in Europe for which I was working at some point [47]) took on Soros in his oral presentation to the Russian *Duma* on May 21, 1996 summarizing the written papers submitted by himself and Helga

Zepp-LaRouche. [47] He claimed that Soros's $260 million financing for new schoolbooks in Moscow, pushing New Age utopias at Russian universities with the internet superhighways, "will only destroy any true educational renaissance."
Hellenbroich continued at the *Duma*: "George Soros, a propagandist of the 'virtual reality' of the information society, is a typical representative of the New Age movement, which, under the banner of 'freedom and democracy,' pushes its own agenda, which involves a quasi-subversion of the modem nation-state."

At this critical time he was also approached by some 'Jewish friends' sharing the same goals as LaRouche's: taking on Soros and the 'liberals'.

JEWISH FRIENDS? Orbán's political breakthrough in 2010 was due to two American Jewish consultants and political strategists recommended by Israeli Prime Minister Benjamin Netanyahu

Although Orbán has become a key player in propagating Anti-Semitic Anti-Soros campaigns, he did enjoy the support of Soros as a Soros Scholar at Pembroke is the college in 1989-1990!

However, 'Christian' Orbán's political breakthrough in 2010 was due to two American Jewish consultants and political strategists that were recommended by his good friend; Israeli Prime Minister Benjamin (Bibi) **Netanyahu**: Jewish ultra-orthodox George Eli **Birnbaum** and "guru" Arthur J. **Finkelstein**, otherwise known as the "Merchant of Venom" and a master of the dark arts of negative campaigning.

The successful divisive style of campaigning for Netanyahu and Orbán were all "Trump before Trump" campaigns inspired by Finkelstein and Birnbaum. This divisive style will be a preparation ground for Donald Trump in 2016.

Finkelstein picked up the idea of Soros as a "Jewish liberal enemy" because Soros is powerful and liberal and because Finkelstein's political friends were fearing Soros taking over their political opponent: the US Democratic party.

During the 2010 parliamentary elections in Hungary, Orbán's party won 52.73% of the popular vote, with a two-thirds majority of seats, which gave Orbán enough authority to change the Constitution. The success was due to these two Jewish consultants and political strategists recommended by Orbán's good friend Israeli Prime Minister Benjamin ("Bibi") Netanyahu.

Netanyahu's 1996 campaign: "Trump before Orbán"?

Earlier in 1996, Finkelstein had helped Benjamin Netanyahu beat Shimon Peres as Prime Minister of Israel in a close upset. Finkelstein was mostly responsible for the strategy that brought Netanyahu victory that year. He was behind the "Peres will divide Jerusalem" slogan that helped Netanyahu overcome Shimon Peres, who had been forecast to sweep to power in the wake of the assassination of Yitzhak Rabin the previous November.

Finkelstein changed the tone of Israeli campaigns, bringing more American-style, polarising (black-or-white), aggressive campaigning to Israel. Campaign slogans such as “Peres will divide Jerusalem” or “Netanyahu is good for the Jews” meant that you are either for him or an enemy of Israel**.** By implication, if you are against Netanyahu, then you are not good for the Jews, and therefore you are an enemy. Moreover, if Netanyahu is good for the Jews, then this also not-so-subtly hints that Netanyahu is bad for the Arabs, even though they are supposedly citizens of equal standing who comprise around 20% of the country’s population. Polarisation and nationalism go together. This lesson will be used in both Orbán’s and Trump’s campaigns.

Trump’s advisor Steve Bannon’s Breitbart said Soros’s funding[5] of *Black Lives Matter* was part of an agenda to swing the US presidential election.

‘THE EVIL JEW’, an interview with consultant and Jewish Orthodox George Birnbaum in which he describes how Soros was turned into an international pariah by Arthur Finkelstein.

The “*Der böse Jude*” (“The Evil Jew”) article [48] was published December 15, 2019 by the Swiss *Das Magazin* and written by journalist Hannes Grassegger, about the possible origins of the world-wide campaign against the Jewish financier George Soros. In it, Grassegger draws on an interview with George Birnbaum in which he describes how Soros was turned into a pariah in **Hungary** and a number of other countries due to efforts conceived by Arthur Finkelstein. The article quotes his colleague Birnbaum saying that “Soros was the perfect enemy… It was so obvious.”

Reporter Hannes Grassegger wrote for *Buzzfeednews*:

> The demonization of Soros is one of the defining features of contemporary global politics, and it is, with a couple of exceptions, a pack of lies. Soros is indeed Jewish. He was an aggressive currency trader. He has backed Democrats in the US and Karl Popper’s notion of an “open society” in the former communist bloc. But the many wild and proliferating theories, which include the suggestion that he helped bring down the Soviet Union in order to clear a path to Europe for Africans and Arabs, are so crazy as to be laughable — if they weren’t so virulent. Soros and his aides have spent long hours wondering: Where did this all come from? [48]

He first destroyed the Soviet Union and then Yugoslavia to clear the way for Africans and Arabs to expel Europeans. He sponsors left-wing extremists, wants to overthrow the president of the United States and lives from drug trafficking and financial crime. Incidentally, he finances euthanasia, censorship and terrorism. Even as a child he delivered Jews to the Nazis, although he is a Jew himself.

Buzzfeednews also commented:

WHO WAS ARTHUR FINKELSTEIN (known as the "Merchant of Venom")? He was the chief strategist behind the most successful ultraconservative organizations making up the "New Right" campaigns operation that was a major contributor to the ascendancy of conservative Republicans in the early 1980s, including the election of Ronald Reagan as President when LaRouche's influence rose.

Beginning in 1975, Arthur Finkelstein was the chief strategist behind the most successful independent expenditures campaigns operation of this period, the National Conservative Political Action Committee (NCPAC), an ultraconservative "**New Right"** political action committee in the United States that was a major contributor to the ascendancy of conservative Republicans in the early 1980s, including the election of Ronald Reagan as President, and that innovated the use of independent expenditures to circumvent campaign finance restrictions. With **Roger Stone** (a LaRouche "friend") and other conservative activists such as Richard Viguerie, Finkelstein was a founder of the NCPAC. Its Executive Director was Finkelstein protégé, Terry Dolan.

In 1979 *Time magazine* characterized NCPAC as one of the three most important ultraconservative organizations making up the "New Right.**"** In the United States, "New Right" refers to **three** historically distinct conservative political movements. Since 2014, the third "New Right" period, this term has been used to describe a group of young

conservatives, right-libertarians, classical liberals, national conservatives, paleoconservatives, and supporters of US President Donald Trump such as Mike Pence, Andrew Breitbart, Alex Jones, Roger Stone or Steve Bannon.

Israeli newspaper *Haaretz* confirmed:

> The man Finkelstein sent as project manager for the 2010 Orbán campaign was his partner, George Birnbaum, who had previously lived in Israel and worked for Netanyahu as a senior aide in the '90s. Members of the ***Chabad*** synagogue[10] in central Budapest remember the Orthodox Birnbaum going there for prayers and Shabbat lunch, so he could be in walking distance of Orbán's Saturday rallies. [11]

Leading cult expert Steven Hassan explains how such Ultra orthodox Jews are related to Trump or Putin[12]:

> … there is a powerful minority of mostly Orthodox or ultra-Orthodox voters who support Trump. Most of them are allied with Israel's right-wing Likud party of **Benjamin Netanyahu**, and also with the Orthodox and ultra-Orthodox communities in Israel. The Orthodox and ultra-Orthodox tend to be closed groups who live in accordance with what they believe to be traditional Jewish values. They practice a rigorous tradition-oriented and highly proscriptive way of life. The rabbi is like a **guru**, interpreting the tradition along with the beliefs, attitudes, and practices. […] They claim that people practicing reform, conservative, reconstructionist, humanistic, and renewal forms of Judaism are **not "real" Jews.** These distinctions have generated rifts both in Israel and among American Jews like myself, who support Israel but see the ultra-Orthodoxy's rejection of any but their own version of Judaism as **a kind of anti-Semitism**. […] Trump is also undoubtedly influenced by his family. His son-in-law Jared Kushner and daughter Ivanka are active members of the Orthodox Jewish organization *Chabad* (also called *Lubavitch*), which is a sect of *Hasidism.* […] *Chabad* has outposts across the United States and the world, including Russia. In fact, Putin welcomed *Chabad* rabbi Berel Lazar to practice in Russia. Lazar, who is now the chief rabbi of Russia, is considered to be a close friend of the Russian leader and is sometimes referred to as "Putin's rabbi."[13] Putin has other connections to Israel through the large network of Russian emigres who now make up about 10 percent of the population and who occupy powerful positions in business and government. [12]

Since the 1980s Arthur Finkelstein has turned the "liberal" label into a dirty word, a swear. [9] **During the 1980 campaign, he was a Reagan pollster and had been "aboard the Reagan campaign" since mid-1979. At the same time, LaRouche had contacts with the Reagan team via Roger Stone.**

Lyndon LaRouche und Ronald Reagan im Wahlkampf 1980 zusammen bei einer Podiumsdiskussion.

Above LaRouche and Ronald Reagan met at an election in 1980. He commented on this encounter after Reagan's passing:

> Although we actually met on but one occasion, at Concord, New Hampshire, for a candidates' night, in January 1980, that meeting between us changed world history in ironical ways which are reverberating still today. [16]

Mother Jones also reports this was the same time when LaRouche and Roger Stone also met:

> This July (*2018, note*), [Roger] **Stone** delivered a video address to a LaRouche gathering in Germany, where LaRouche, who is in declining health, and his wife, Helga Zepp-LaRouche, now live. Stone seemed eager to embrace LaRouche and win over the crowd, recounting how he had "evolved" to embrace the "extraordinary and prophetic thinking" of LaRouche. Stone said he first met LaRouche in New Hampshire in 1980 during one of LaRouche's many failed presidential campaigns, while Stone was working as an aide to Ronald Reagan. Noting he was a more "conventional conservative" at the time, Stone remarked that he then believed that "*Dr. LaRouche's views were somewhat exotic*." [17]

Norman Bailey, who served on the staff of the National Security Council (NSC) during the Reagan Administration in the White House from 1981 to 1983, described the LaRouche's organization as "one of the best private intelligence services in the world". In 1985, the *Washington Post* quoted unnamed government sources and former members of the LaRouche movement:

> ”The LaRouche organization has assembled a worldwide network of contacts in governments and in military agencies who meet regularly and swap information with them. In Washington, the LaRouche group has spent the last several years currying favor with officials of the NSC, CIA, Defense Intelligence Agency, Drug Enforcement Administration, the military and numerous other agencies, as well as with defense scientists doing classified research.” [18]

This divisive style of campaigning from Arthur Finkelstein was foreshadowing **Trump in 2016.** The successful ‘polarizing’ campaigns and elections of Netanyahu in 1996, of Orbán in 2010 were all “Trump before Trump.”

So in 2016, there was the breakthrough of Trump’s USA:

> Supporters of Donald Trump have embraced the anti-Soros cause, again with prompting from Russia. DCLeaks, a website that was started in June 2016, has a section devoted to Soros, with hacked Open Society documents. It says, “Soros is named an architect and a sponsor of almost every revolution and coup around the world for the last 25 years. The USA is thought to be a vampire due to him and his puppets, not a lighthouse of freedom and democracy. His minions spill blood of millions and millions of people just to make him even more rich. Soros is an oligarch sponsoring the Democratic party, Hillary Clinton, hundreds of politicians all over the world.”
>
> *Russia’s war on George Soros goes global*.

Finkelstein was Trump’s pick for the anti-Hillary onslaught. Trump knew him well, and used him on previous occasions. He too is a member of the gang that admired the techniques of Roy Cohn, the brain child of McCarthyism, the man, who developed the science of making accusations stick without proper regard for evidence. Finkelstein has been instrumental in numerous Republican victories in New York state. His entire life was dedicated to demonizing Democrats and progressive ideas. And most importantly, he spearheaded the “Get Hillary” campaign in 2006 – he held a decade long personal grudge against Hillary. Finkelstein fit Trump’s aspirations like a fine leather glove fits a hand. [19]

The divisive campaign strategy was changing its “enemy targets” from “bureaucrats” or “foreign capital” to … the “wandering Jew” **boogeyman George Soros.**

The Times of Israel noted :

> The spin doctors, according to the (*Swiss, note*) article, were the late Arthur Finkelstein and his associate, George Eli Birnbaum. Finkelstein, who died in August 2017, advised Orbán’ in 2013 to go after Soros publicly, Birnbaum told *Das Magazin*. [9]

So why did Arthur Finkelstein pick up the idea of Soros as a “public enemy”? Well, his political friends in America have been waging a heavy political campaign against Soros since 2006 because they were fearing his taking over of their political enemy: the Democratic party. Hence Finkelstein’s campaign against **“Soros the liberal”.**

This anti-Soros campaign in Hungary, along with the Brexit process in the U.K., reinvigorated the “**il-liberal**” political forces in Europe and in the world (Trump’s USA, Putin’s Russia or Netanyahu’s Israel.)

Unsurprisingly. Hungary’s Orbán supports UK Brexit and praises British PM Boris (Brexit) Johnson and US President Donald Trump:

> Hungary’s far-right prime minister, Viktor Orbán, has given a ringing endorsement to Boris Johnson and Brexit, offering a pointer as to which European capitals are likely to be friendliest to post-Brexit Britain.
>
> Orbán said Johnson and Donald Trump were “the most courageous, the most dynamic and the most ready to effect change” of all the politicians in the world today. […] The admiration is mutual: it emerged this week that Tim Montgomerie, a former aide of Johnson, said he expected Britain and Hungary to forge a “special relationship” after Brexit, and praised Orbán’s thinking on the “limits of liberalism”. […] Orbán has promoted conspiracy theories, usually with anti-Semitic undertones, about the overarching influence of George Soros in Hungary and across Europe, and has also tapped into another far-right conspiracy theory, that of the “great replacement”. [20]

The same is shared among Israeli right and Netanyahu’s circles:

> The Israeli right, notably Prime Minister Benjamin Netanyahu and his eldest son, Yair, have similarly promoted anti-Soros theories[21] related to the Holocaust survivor's agenda in the Middle East. Last fall, **Yair Netanyahu** told a Hungarian audience[22] that Soros' organizations "*are working day and night with an unlimited budget to rob the country of its Jewish identity*." [23]

Yes Soros, for some in the Jewish community consider him as a threat and an enemy, not because he is "anti-Semitic" or "anti Israel/ Zionist" but simply because he is **a non-religious liberal Jew.**

In 2011, conservative pundit Ben Shapiro tweeted:

> "*The Jewish people has always been plagued by Bad Jews, who undermine it from within. In America, those Bad Jews largely vote Democrat."* […] Arguably the most brazen example came last month, when Giuliani told *New York Magazine* that he, a Catholic, is "*more of a Jew*" than George Soros, a Holocaust survivor, because Soros "*doesn't go to church, he doesn't go to religion — synagogue" and is an "enemy of Israel."* I heard a similar defense of anti-Semitic critiques of Soros while reporting for my forthcoming book[24] on him; the idea was that calling Soros a puppet master or dabbling in anti-Semitic tropes couldn't possibly have anything to do with the Hungarian-born billionaire's Jewish identity, **because he isn't religious.** […] If you are not the right sort of Jew, you risk being labelled anti-Semitic or bad for the Jews, a self-hater, a threat to your own community. [25]

Polish-born Israeli historian, political scientist, commentator **Zeev Sternhell** asked "Why Benjamin Netanyahu Loves the European Far-Right":

> Recent spats aside, Israel's right-wing government sees the illiberal nationalist leaders of Poland and Hungary as natural allies. They share a hostility toward human rights, Enlightenment values, and the European Union. [26]

They all share a common hostility to George Soros' "liberal values".

Orbán's 2010 'illiberal' campaign was so successful that his two Jewish consultants easily **convinced** him to target Hungarian financier "George Soros as Jewish boogeyman" for his 2014 parliamentary elections.

After the 2014 parliamentary election and Orbán's victory, following the escalation of the **migrant crisis**, *Fidesz* under Orbán began using right-wing populist and **anti-immigrant rhetoric**. Then in 2015 came the refugees crisis which was a boost for all nationalists and the anti-Soros campaigns went viral. Soros the Jew was of course blamed for this refugees crisis.

2015: REFUGEES CRISIS & RISE OF NATIONALISMS. It fuelled xenophobic and nationalist campaigns in the US (Trump) and in the UK (Brexit). Hungary's Orbán and George Soros clashed on

Das Lachen wird ihnen vergehen!!!
Juden um Roosevelt
Der Führer sprach am 30. September 1942:
„Ich habe am 1. September 1939 in der damaligen Reichstagssitzung zwei Dinge ausgesprochen:
Erstens, daß, nachdem man uns diesen Krieg schon aufgezwungen hat, keine Macht der Waffen und auch nicht die Zeit uns jemals niederzwingen werden, und zweitens, daß, wenn das Judentum einen internationalen Weltkrieg zur Ausrottung etwa der arischen Völker Europas anzettelt, dann nicht die arischen Völker ausgerottet werden, sondern das Judentum!
Die Drahtzieher des Geisteskranken im Weißen Haus haben es fertiggebracht, ein Volk nach dem andern in den Krieg zu ziehen. Doch in dem gleichen Maße ging über Volk und Volk eine antisemitische Welle hinweg, und sie wird weiter wandern und Staat um Staat erfassen, der in diesen Krieg eintritt, jeder wird eines Tages als antisemitischer Staat daraus hervorgehen. Die Juden haben einst auch in Deutschland über meine Prophezeiungen gelacht. Ich weiß nicht, ob sie auch heute noch lachen, oder ob ihnen nicht das Lachen bereits vergangen ist. Ich kann aber auch jetzt nur versichern:
es wird ihnen das Lachen überall vergehen!!
Und ich werde auch mit diesen Prophezeiungen Recht behalten."

2.4 2003-10: FOX NEWS' ANTI-SOROS SMEAR CAMPAIGNS (USA)

KEY POINTS

2003: EVERYTHING CHANGED. George Soros Openly Expressed That He Was Strongly Opposed To The Irak Invasion Which He Compared To Hitler's Nazi regime.

Soros was infuriated by the policies of George W. Bush of invading Iraq to topple Saddam Hussein.

During the 2004 US elections, Soros sent his philanthropy homeward, donating $ millions to political action groups of the Democratic Party. Suddenly, Soros became the most powerful, evil mastermind in the world and was labeled… a Nazi (thanks to LaRouche)! And Soros' support for the Democratic Party was called a "coup"!

The Plot Against George Soros Didn't Start in Hungary. It Started on Fox News wrote Robert Mackey for *The Intercept* on January 23 2019.

He noted that:

> Although O'Reilly did not refer to Soros's ethnicity, his criticism of the financier as a shadowy string-puller appealed to the imaginations of anti-Semites online. Less than a year later, Soros was portrayed as "a Jewish tycoon," secretly directing American foreign policy from inside the White House, in a bizarre animated propaganda film broadcast on Iranian television.
>
> *The Plot Against George Soros Didn't Start in Hungary. It Started on Fox News By Robert Mackey for The Intercept – January 23 2019.*

It all started in 2003 when the United States invaded Iraq to topple Saddam Hussein.

George Soros became then a major target for Republicans after he openly expressed that he was strongly opposed to the invasion of Iraq and donated $23 million in the 2004 election cycle in an effort to defeat President George W. Bush, whose administration Soros condemned for rushing to war in Iraq and compared to Hitler's Nazi regime.

The *Mail & Guardian* confirmed in 2003 that:

> George Soros, the billionaire financier and philanthropist, said on Thursday he disapproved of US President George Bush's decision to take "pre-emptive" military action against Iraq.
>
> "*Whether you can introduce democracy by force I am not quite sure*," he said on a visit to the former Soviet republic of Azerbaijan where is funding a number of democracy-building initiatives.
>
> "*The United States is encountering many problems in Iraq and I can only hope that it will not put us off from other more creative and more affirmative ways of building democracy.*"
>
> "*I am critical of the Bush doctrine of pre-emptive military action and I propose the Soros doctrine of pre-emptive action of a constructive nature where you extend help and support to countries that are moving in the direction.*"
>
> *George Soros slams Bush on Iraq By Staff Reporter – Mail & Guardian – May 29, 2003.*

CNN also commented :

> In 2003, everything changed. Infuriated by the policies of George W. Bush, Soros sent his philanthropy homeward, donating $23 million to political action groups during the 2004 election. Suddenly, George Soros became the most powerful, evil mastermind in the world.

> *Beck's bizarre, dangerous hit at Soros. By Michael Wolraich – CNN – November 14, 2010.*

That year 2003, *Fox News Channel* broadcast Bill O'Reilly was accusing George Soros of being a "leftist" who "wants abortions". This broadcast was in fact preparing the ground for the launch a few years later of a book by David Horowitz and Richard Roe against Soros and the Democratic party: "The Shadow Party: How George Soros, Hillary Clinton, and Sixties Radicals Seized Control of the Democratic Party."

In their book, they claimed that Soros was a Nazi "collaborator in fascist Hungary" and "survived [the Holocaust] by assimilating to Nazism." Echoing LaRouche's original anti-Soros CT.

The previous year, FOX News (O'Reilly) had started their own smear campaign against Soros. "Media Matters for America" (MMfA) reports:

> On June 1 (2003), FOX News Channel host Bill O'Reilly devoted an entire hour of his nationally syndicated two-hour radio show, The Radio Factor to criticizing financier, philanthropist, and political activist George Soros. In the course of the hour-long segment, O'Reilly applied the following labels to Soros: "as far left as you can get without moving to Havana" and "a total radical on all the issues that Americans care about." O'Reilly also said Soros "wants abortion even out of the womb — *out of the womb!*" and accused Soros of "wanting to turn this country completely upside down."
>
> Two weeks ago, as *Media Matters for America* reported, O'Reilly invited Richard Poe contributing editor for *NewsMax* magazine (a monthly right-wing publication with a history of publishing baseless conspiracy theories about Democrats) — onto the May 18 edition of FOX News Channel's *The O'Reilly Factor* to discuss Poe's May 2004 *NewsMax* magazine cover story, "George Soros' Coup" (for more on Poe's cover story, see *Media Matters for America*' s June 1's analysis "*O'Reilly Factor* guest Richard Poe smeared George Soros"). O'Reilly said to Poe on May 18, "If Soros is what you say he is, and I have no reason to doubt it. I mean, what I know about the man pretty much matches up to what you found out, the Democratic Party is taking a lot of money from him." As *Media Matters for America* reported, O'Reilly had made his opinion of Soros known earlier on the same day during the broadcast of The Radio Factor, calling Soros "a real sleazoid." [4]
>
> *O'Reilly smeared Soros … again; 06/01/2004 By Gabe Wildau – "Media Matters for America" (MMfA).*

In 2004, Fascist cult leader LaRouche had launched his presidential campaign which gave him an opportunity to join and influence this FOX News anti Soros smear campaign at another international level (e.g. Russia, Hungary, Europe).

On the same "SOROS COUP" theme, LaRouche published in 2004, articles like "Dope Czar Soros Bids To Buy Up Democratic Party" in their "Executive Intelligence Review" (EIR) of January 16, 2004.

On the same "SOROS THE JEW IS… A NAZI!" theme, LaRouche published his "2004 Children of Satan II The Beast-Men" pamphlet where George Soros is accused of being a Nazi drug pusher, a "Dope Czar," a Satanist or a speculator using drugs and dirty money…

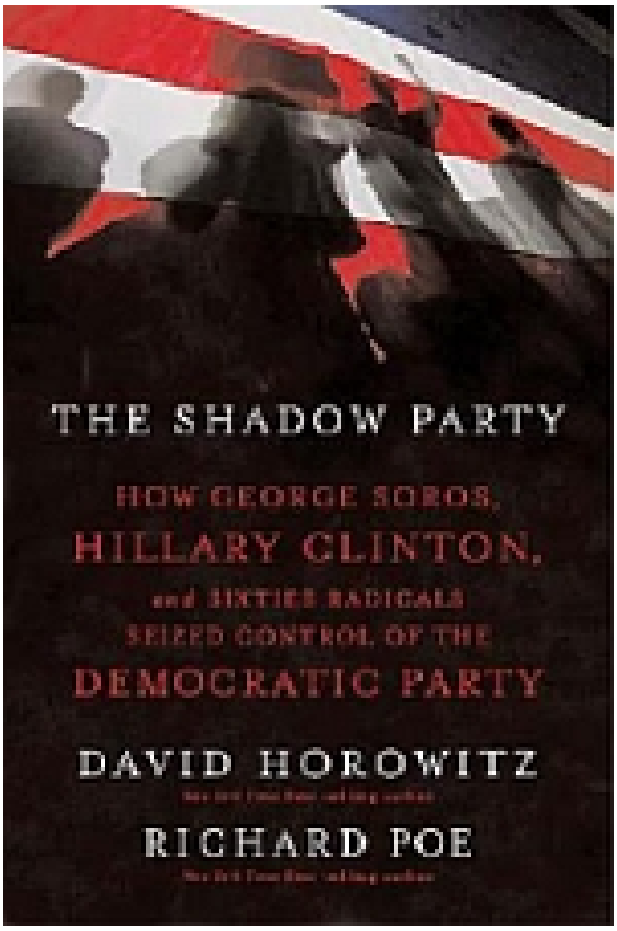
2006: SMEAR CAMPAIGNS AGAINST A " SOROS COUP IN THE DEMOCRATIC PARTY": Soros, who finances progressive and Democratic Party causes, is in reality a Nazi collaborator and anti-Semite (echoing LaRouche).



David Horowitz and Richard Roe tried (like LaRouche did 10 years before) to “prove” that Jewish Billionaire and Holocaust survivor George Soros was in fact… a “Nazi collaborator” and an “anti-Semite”!

These evangelical Christian right and anti-communist authors published August 6th 2006 their book.

The *History Commons* website noted on this book:

> August 8, 2006: Authors Use Falsified Claims, Doctored Quotes to 'Prove' Jewish Billionaire Collaborated with Nazis
>
> Authors David Horowitz and Richard Poe publish a book titled The Shadow Party: How George Soros, Hillary Clinton, and Sixties Radicals Seized Control of the Democratic Party, that purports to prove Jewish billionaire George Soros, who finances progressive and Democratic Party causes, is in reality a Nazi collaborator and anti-Semite. However, the book is riddled with doctored quotes, misinformation, factual errors, and outright lies. Progressive media watchdog Web site Media Matters notes that the book relies on long-discredited accusations from the authors' "Front Page Magazine" Web site, from their articles on conservative Web publications such as WorldNetDaily and NewsMax, and on unsourced allegations from political extremist Lyndon LaRouche and his followers, who have called Soros a "Nazi beast-man" and a "small cog in Adolf Eichmann's killing machine," aiding "the Holocaust against 500,000 Hungarian Jews." Media *Matters* calls the book "a new low in the long-running Republican Party and conservative movement campaign of scurrilous personal attacks against Soros, a major supporter of progressive causes in the US and abroad." The organization also notes that the Web sites used in the book's research are largely funded by conservative billionaire Richard Mellon Scaife, and Scaife-owned newspapers such as the *Pittsburgh Tribune-Review* have promoted the book. *Media Matters* documents numerous issues of doctored quotes and falsified claims in the book.
>
> *August 8, 2006: Authors Use Falsified Claims, Doctored Quotes to 'Prove' Jewish Billionaire Collaborated with Nazis; From The History Commons website.*

At about the same time, LaRouche published more propaganda on the same story that Soros wanted to buy up the Democratic Party and that Soros, the Jew is a Nazi, a drug pusher, a "Dope Czar," a Satanist, and a speculator using drugs and dirty money… They tried (like LaRouche did) to "prove" that Jewish Billionaire and Holocaust survivor George Soros was in fact … a Nazi !

The "Soros-was-a-Nazi" story gained momentum in conspiracy networks and went mainstream with ***Fox*** News and with Donald Trump's election to the point Trump got obsessed about Soros. LaRouche was great supporter of Trump.

Then in 2007, *Fox News'* host Bill O'Reilly spent 10 minutes calling Soros "off-the-charts dangerous" and **"an extremist who wants open borders, a one-world foreign policy, legalized drugs, euthanasia, and on and on."**

The *History Commons* website reported:

> **February 2007: Editor Falsely Accuses Jewish Billionaire of Being Nazi Collaborator**
>
> Martin Peretz, the editor in chief of *The New Republic*, falsely accuses Jewish billionaire George Soros of being a Nazi collaborator. Soros is now a target of conservative opprobrium for his financial support of Democratic and progressive causes. As a 14-year-old boy, Soros escaped from the Nazis by hiding with a non-Jewish family in Hungary; the father of that family sometimes served deportation notices to Hungarian Jews. Peretz now calls Soros "a young cog in the Hitlerite wheel." The progressive media watchdog Web site Media Matters notes that Peretz is following the lead of right-wing extremists David Horowitz and Richard Poe, whose book *The Shadow Party: How George Soros, Hillary Clinton, and Sixties Radicals Seized Control of the Democratic Party* claimed that Soros "survived [the Holocaust] by assimilating to Nazism." The book was found to be riddled with doctored quotes and factual errors (see August 8, 2006). Peretz uses a transcript of a 1998 interview Soros gave to *60 Minutes* reporter Steve Kroft to prove his claim, **but edits the transcript to leave out a key section that shows Soros did not collaborate with Nazis.** [*emph. added*]

But in 2008, the Stock markets plunged around the world. Barack Obama got elected as President of the United States, succeeding George W. Bush. Then LaRouche launched his smear campaigns against both Soros and Obama whom he considered to be a "Nazi Soros creature". He called for the "elimination of Obama", said that he is "purely evil" and a '"bigger enemy of humanity than Adolf Hitler was", a "piece of trash", a "monkey" and a "pollution", showing Obama's face wearing a Hitler's mustache. At the same time, LaRouche published his pamphlet "Your Enemy, George Soros".

2008-09: LAROUCHE'S SMEAR CAMPAIGNS "OBAMA IS HITLER"! LaRouche Launched His Campaigns Against Both Soros (Pamphlet "Your Enemy, George Soros", And Obama As A "Soros' Creature".

Barack Obama was elected as President of the United States, succeeding George W. Bush. Obama served as the 44th President of the United States from 2009 to 2017.

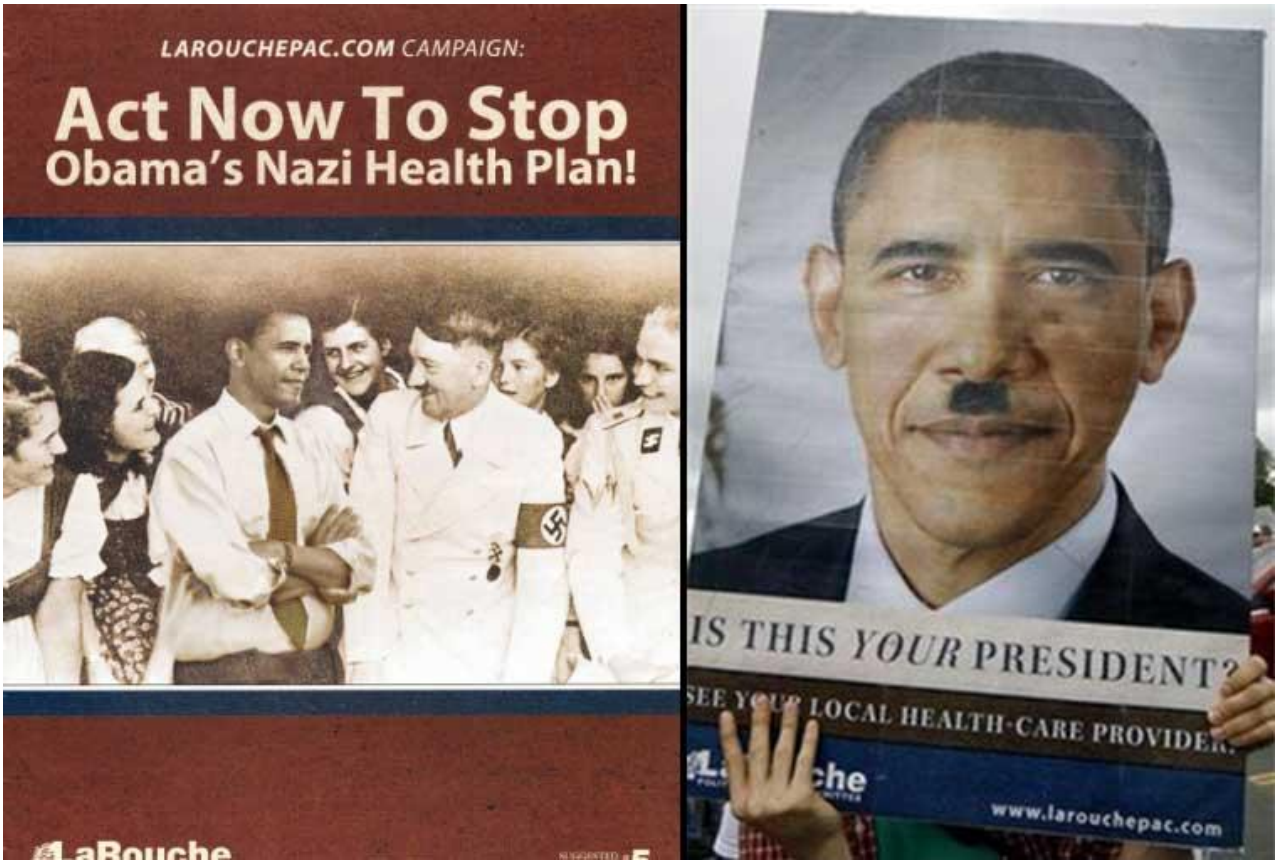
LaRouche launched his smear campaigns against both Soros and against Obama as a "Soros' creature". In this LaRouche's June 2008 pamphlet "Your Enemy, George Soros", it contained the article "George Soros Buys the Nomination, Obama Borrows It."

In 2008 the Stock markets plunge around the world.

At Davos, George Soros who was blamed by his Conservative critics for "taking over the Democratic Party, commented about this crash:

> “But the tide turned against open societies after the crash of 2008 because it constituted a failure of international cooperation. This in turn led to the rise of nationalism, the great enemy of open society.” [7].

At the same time LaRouche considered Obama to be a “Nazi Soros creature”. Hence wearing a “Hitler moustache”…



LaRouche also called for the “elimination of Obama”, saying that Obama is “purely evil” and a ‘”bigger enemy of humanity than Adolf Hitler was”, a “piece of trash” and a “pollution” and showed Obama’s face wearing a Hitler’s moustache:

> ”The ELIMINATION of Obama from the Presidency, is the absolute precondition for the survival of the United States and generally for the human race. Because if he is allowed to remain in office, the chain-reaction effect throughout the world will mean the greatest kill of human beings in all known history today. If you want to be exterminated, keep him in office, permit him to remain in office. The man is purely evil. Everything he represents is a lie! …”
>
> You are supporting Obama? Who are you going to eat? Who are you going to kill? What about the people called professors, scientists, experts, who support this policy? **They’re worse than Hitler, far worse than Hitler. Hitler was a junior league type, with this crowd.**
> **Who is this? Who’s behind it? The British Empire, the Queen of England! The President of the United States, right now, is an enemy of all humanity. He’s a bigger enemy of humanity than Adolf Hitler was. If you support his policy, the Green policy, you are supporting a Hitler policy against yourself….** [*emph. added*]
> You vote for President Obama, support him, you’re a promoter of genocide. You have no moral right to avoid impeaching this clown. Because if you don’t impeach him and throw him out, you’re going to have the worst dark age that mankind has ever experienced, and it’s coming on right now, under his present term, as President… It’s the overcoming a destruction of the system of oligarchism, which is typified by the Queen of England, typified by the piece of trash called Obama! …. Your behavior is either beneficial to the human species, or it’s not. If it’s not beneficial for the human species, or is used as a substitute for that which is beneficial, that is pollution… The President of the United States is a pollution, because he’s destructive.”
>
> *From “LaRouche’s July 21 2011 webcast”.*

Racist LaRouche also compared Obama’s ancestors to **MONKEYS**:

> “If you chase his [Obama’s] family tree, everybody’s climbing and swinging from the branches… Every monkey in every tree, from every part of the world, has participated in the sexual act of producing him.”
>
> *“Lyndon LaRouche: No Friend Of The Black Community” at lyndonlarouche.org (Dennis King, author of “Lyndon LaRouche and the New American Fascism” (1989).*

2010: GLENN BECK'S SMEAR CAMPAIGN ON FOX NEWS ACCUSING SOROS OF COLLABORATION WITH THE NAZIS (echoing LaRouche).

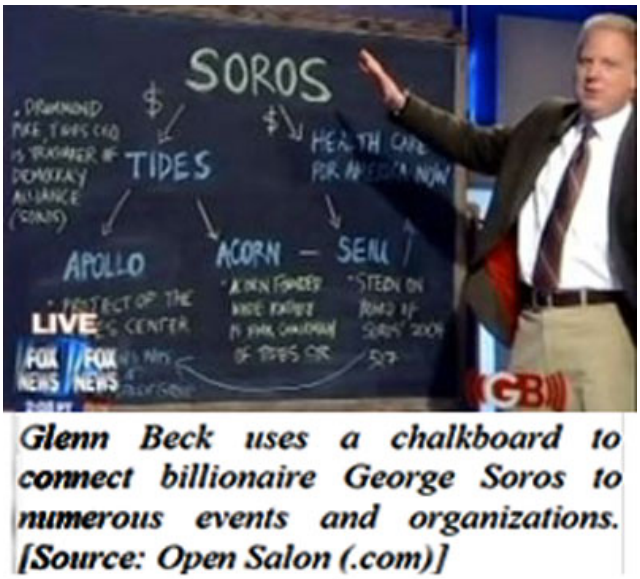
In 2010, 'two years after LaRouche published his "Your Enemy, George Soros" pamphlet; TV host Glenn Beck (Fox News) defamed George Soros in the same way.

Watch Video At: https://youtu.be/mltj4bA9Rn4

Fox News' Glenn Beck accused liberal philanthropist George Soros for being complicit in "**sending Jews to the death camps**" – even though Soros escaped the Holocaust as a young Jewish teenager. This accusation comes straight from LaRouche's CT against Soros. In total, Beck spent three broadcast days accusing Soros of collaboration with the Far-Right Nazis, yet blaming for single-handedly funding America's left-wing, liberal, and progressive causes! There's a grotesque contradiction that didn't cross Beck's mind. He also called Soros a "puppet master" responsible for spreading political and economic chaos throughout the world.

> Before claiming the United States would be Soros's next "target," Beck ominously intoned, "Soros has helped fund the 'Velvet Revolution' in the Czech Republic, the 'Orange Revolution' in the Ukraine, the 'Rose Revolution' in Georgia. He also helped to engineer coups in Slovakia, Croatia, and Yugoslavia." Beck failed to mention that in each of the countries he named, Soros had provided support to popular pro-democracy groups battling repressive regimes led by Communist or former Communist autocrats.
>
> *The Plot Against George Soros Didn't Start in Hungary. It Started on Fox News By Robert Mackey for The Intercept – January 23 2019.*

On his radio show, not only did Beck accuse Soros of helping “send the Jews” to “death camps” during the Holocaust, he added that Soros “is not a fan of the state of Israel”, that he is “**an anti-Semite**” and accused him of deliberately manipulating the global economy to ensure its collapse, the currencies to become worthless, elections to be stolen, regimes to fall and will engineer a Communist coup in the United States.



Glenn Beck uses a chalkboard to connect billionaire George Soros to numerous events and organizations. [Source: Open Salon (.com)]

Jewish organizations called Beck’s accusations “monstrous” and “horrific”.

However, Beck denied any anti-Semitism on his part and instead, accused Soros of being an anti-Semite because he is a “Nazi collaborator” and uses this as “proof” of Soros’ anti-Semitism. This is LaRouche’s “logic”.

Then Rudy Giuliani, President Trump’s lawyer and a Roman catholic, claimed to be “more of a Jew” than George Soros who he deemed to be an “enemy of Israel”. Giuliani denied any anti-Semitism since he denied Soros to be a Jew!

2.5 1993-2008: THE LAROUCHE ANTI-SEMITIC FASCIST CULT & THEIR CTs

KEY POINTS

1. **1992-2004 LAROUCHE'S RUSSIAN CONNECTIONS. Soviet Union collapsed while LaRouche was still in jail in the USA. He networked with Far-Right russian nationalists.**
2. **THE SPREAD OF THIS LAROUCHE-MADE ANTI-SOROS CT GOT ITS BREAKTHOUGH IN 1997 IN MALAYSIA. The Asian Financial Crisis that year gave a boost of publicity and "credentials" to LaRouche's blaming of Soros.**
3. **LAROUCHE'S ORIGINAL CTs ("BIG LIES") AGAINST GEORGE SOROS. All his allegations appeared in various places:**
    1. **GEORGE SOROS IS A 'DRUG PUSHER' !**
    2. **GEORGE SOROS, THE JEW IS… A NAZI! LaRouche claimed that "George Soros was a witting participant in the Holocaust, as a Nazi collaborator" and "a cog in Eichmann's killing machine" This lie became popular among anti-Semites in the world.**
    3. **HOW JEWISH SURVIVORS ARE CALLED 'NAZI JEWS' BY … ANTI-SEMITES: Jews tried to save themselves and their families using forged papers that provided them with false identities.**
4. **REFERENCES**

Lyndon Hermyle LaRouche Jr. (1922 – 2019) was renowned as an extremist crank, a fringe figure who migrated politically from his “far-left” Marxist-Leninist-Trotskyite sect to his “far-right” fascist anti-Semitic political cult in the mid-70s. He became then **a prolific conspiracy theorist,** a perennial presidential candidate, known for his smear hateful campaigns.

LaRouche’s anti-Soros propaganda and “Conspiracy Theory” (CT).

LaRouche and his cult had started their anti-Soros CT smear campaign in mid-1990s, which is why they claim credit for its later main-streaming!

In 1992, George Soros became famous for breaking the Bank of England, during what became known as Black Wednesday. He made more than $1 billion by betting against the British pound, cementing his reputation as the premier currency speculator in the world. Soros became “The Man Who Broke the Bank of England” and a household name.

In an April 1993 interview on *Adam Smith’s Money World* on WNET, the New York City public television station, the interviewer suggested that Soros’s worldview was shaped by the Holocaust, and Soros agreed. He went on to add that he was “adopted by an official of the Ministry of Agriculture (named Baumbach, note) , whose job was to take over Jewish properties, so I actually went with him and we took possession of these large estates. That was my identity.”

In 1995, the idea that Soros routinely helped Nazi Baumbach found its way into a January 23, 1995 Issue of New Yorker profile, “The World According to George Soros,” by Connie Bruck who writes that Soros “posed as the son of a Hungarian government official, sometimes accompanying the official as he delivered deportation notices to Jews, or took possession of property owned by them.” Adding that:

> "when, aged fourteen, he posed as the son of a Hungarian government official, sometimes accompanying the official as he delivered deportation notices to Jews, or took possession of property owned by them. Self-control and detachment were the keys to survival. Soros recalled that when his mother was questioned at the police station by the local sheriffs, she convinced her interrogators that she was indeed the person her false papers stated she was by an exercise of detachment so extreme that she felt herself to be hovering near the ceiling, observing her bravura performance from above. He added, however, that after she was released she collapsed, suffering what was "kind of a nervous breakdown"—and he was furious at her for showing such weakness.
>
> Sometimes it seems that even today Soros dares not let that control slip; when he was questioned by an interviewer for British TV about that year's experience, Soros rejected the suggestion that it had been traumatic, insisting, rather, that it was "an adventure." But, as his older brother, Paul, told me, they lived with the knowledge that if they were stopped on the street by the police or the military and their false identities exposed, they would at the very least face imprisonment, and they might well be shot; and they saw that happen to others—often at the very edge of the Danube, so the bodies would fall into the river."
>
> *January 23, 1995 Issue of New Yorker profile, "The World According to George Soros," by Connie Bruck.*

At that point LaRouche will concoct a "Conspiracy Theory" (CT) that will make George Soros look like a dangerous Jewish "boogeyman," a "puppet master", a "drug trafficker", a "Nazi collaborator", an anti-Semitic Jew and… a liberal.

The "Soros-was-a-Nazi" story was started by LaRouche and his cult with their anti-Soros' smear campaign in 1996 when they published their first "anti-Soros dossier": "The secret financial network behind 'wizard' George Soros" by William (Bill) Engdahl. In these "dossiers," they write that George Soros is not a Democrat, he is no better than a Nazi and was labelled by them "A cog in Eichmann's killing machine," a "Nazi collaborator" or a "witting participant in the Holocaust in his native Hungary"…

1992-2004 LAROUCHE'S RUSSIAN CONNECTIONS. Soviet Union collapsed while LaRouche was still in jail in the USA. He networked with Far-Right russian nationalists.

The late Lyndon LaRouche, the American fascist cult leader was a strong supporter of both Putin and Trump (so is his cult today). SEE UKRAINE: LaRouche's useful idiots.

The dissolution of the Soviet Union occurred in December 1991, while LaRouche was still in jail. Having, as a consequence, lost his U.S. government connections, which LaRouche and his "larouchies" enjoyed in the 1980s, they focused on moving their connections with political elites in other countries — above all Russia or China.

LaRouche had visits from Russia in his jail and while still in jail, LaRouche's "Schiller Institute" sponsored their first-ever conference in Moscow, on October 30-31, 1992 to announce the release of a Russian-language edition of LaRouche's textbook on physical economy, "So You Wish To Learn All About Economics?" [42]

Ukrainian writer, academic and political activist Anton Shekhovtsov wrote:

> Glazyev and LaRouche most likely met in person for the first time in April 1994, when LaRouche and his wife and associate Helga Zepp-LaRouche travelled to Russia and addressed a number of workshops, including one at the Russian Academy of Sciences in Moscow. Glazyev's senior colleague, late Russian economist Dmitry Lvov who was in contact with LaRouche too, was a full member of the Russian Academy of Sciences and might be one of the people who officially invited LaRouche to Moscow. Late Taras Muranivsky, professor at the Russian State University for the Humanities and president of the Russian branch of the Schiller Institute, might also be involved in organising LaRouche's visit to Moscow.

> LaRouche's contacts in Russian academia and the Moscow-based "Schiller Institute for Science and Culture" actively promoted his ideas in Russia, and, since 1995, he has been trying to exert direct influence on Russian policy-making in the economic sphere. Representatives of the "Schiller Institute for Science and Culture" presented LaRouche's memorandum "Prospects for Russian Economic Revival" at the State ***Duma***, while later that year LaRouche himself appeared in the Russian parliament to present his report "The World Financial System and Problems of Economic Growth". His conspiracy-driven economic theories that denounced free trade and commended protectionism, as well as attacking the workings of the International Monetary Fund, stroke a chord with many a member of the ***Duma*** largely dominated by the anti-liberal and anti-democratic forces such as the Communist Party of the Russian Federation, Liberal-Democratic Party of Russia and other ultranationalists.
>
> During the 1990s, the LaRouchites praised Glazyev as "a leading economist of the opposition to Boris Yeltsin's regime" and published Glazyev's interviews and articles in their weekly Executive Intelligence Review. In 1999, LaRouche published an English translation of Glazyev's book "Genocide: Russia and the New World Order" in which the author exposed his theories about "the world oligarchy" using "depopulation techniques developed by the fascists" "to cleanse the economic space of Russia for international capital". According to Glazyev, the US – under the guidance of "the world oligarchy" – is implementing "anti-Russian policies" aimed at preventing "the reunification of the Russian people", provoking "further dismemberment of Russia" and frustrating "integration processes within the territory of the CIS [Commonwealth of Independent States]".[43]

On Jan. 27, Dr. Kuznetsov took note of LaRouche's status as a "political prisoner"[44] and LaRouche was back in Moscow on April 28 , 1994 for "lectures and discussion"[45] LaRouche will frequently "visit" Russia. That same year, the widely read daily *Nezavisimaya Gazeta* printed a full-page article on how LaRouche had achieved his status as an "American political prisoner" by his claimed authorship of Reagan's "Strategic Defense Initiative!" (S.D.I.) policy. More than a dozen Russian elected officials

and other political activists signed appeals for LaRouche to be freed from prison. The following year in 1995 during his second trip to Moscow he was invited to speak at the Russian State ***Duma*** and has been regularly invited on Putin's RT national television channel since 2008.

> LAROUCHE'S LAST "RUSSIAN ROMANCE: LaRouche's political strategy was seeking an alliance between American and Russian ultra-nationalisms, and later between partisans of President Vladimir Putin and President Donald Trump. In 1994, "political prisoner" LaRouche was released on parole from prison and in April, travelled for the first time to Moscow where he got support from Russian ultra-nationalists such as Sergey Glazyev.

Following his relatively successful networking in Russia being supported by important Russian nationalists, LaRouche started networking the same way in Orbán's Hungary in 2000 at a time when **Orbán was politically weak.**

On November 1, 1996, Laouche had published their first anti Soros dossier: *The secret financial network behind 'wizard' George Soros by William Engdahl, in LaRouche's EIR (Executive Intelligence Review):*

> *The dossier that follows is based upon a report released on Oct. 1 by EIR's bureau 'in Wiesbaden, Germany, titled "A Profile of Mega-Speculator George Soros." Research was contributed by Mark Burdman, Elisabeth Hellenbroich, Paolo Raimondi, and Scott Thompson.*
>
> The heart of this Club of the Isles is the financial center of the old British Empire, the City of London. Soros is one of what in medieval days were called ***Hofjuden***, the "Court Jews," who were deployed by the aristocratic families.
>
> The most important of such "**Jews who are not Jews** [5]," **are the Rothschilds, who launched Soros's career.** [*emph. added*] They are members of the Club of the Isles and retainers of the British royal family. This has been true since Amschel Rothschild sold the British Hessian troops to fight against George Washington during the American Revolution.
>
> Soros is American only in his passport. He is a global financial operator, who happens to be in New York, simply because "that's where the money is…" […]
>
> The speculator was the Hungarian-born George Soros, who spent the war in Hungary under false papers working for the pro-Nazi government, identifying and expropriating the property of wealthy fellow Jews. Soros left Hungary after the war, and established American citizenship after some years in London. Today, Soros is based in New York, but that tells little, if anything, of who and what he is.
>
> *The Secret Financial Network Behind "Wizard" George Soros. By William Engdahl – LaRouche's Executive Intelligence Review (EIR) – November 1, 1996.*

In May that year, the Associate Editor of LaRouche's EIR (*Executive Intelligence Review*) warned that LaRouche wanted Soros to be renowned as an evil villain:

> "**Clip George Soros's wings"**
>
> **It may seem surprising that a man as rich, evil, and powerful as George Soros, should be so little known to the public.** [*emph. added*] This is because he is one of the top operatives of Britain's "Invisible Empire" — the subject of a report in last week's issue. In our current cover story, we develop more fully the case of the "invisible" Soros's activities in support of the drug legalization lobby, and a few examples of his destruction of nation-states. Soros and his minions are deployed in a worldwide Order of Battle, fighting for control over currencies, raw materials, and — probably most lucrative of all — drugs. [7]

Then there was a widely watched CBS '60 Minutes' interview by Steve Kroft in December 1998, which focused on Soros's experiences during the Holocaust, and added a new presumption of guilt, echoing LaRouche's CT. These CBS interviews provided fodder for conspiracy theorists to claim that Soros. the Jew was…. a Nazi collaborator!

In response: George Soros: The Life and Times of a Messianic Billionaire is a non-fiction book by Michael T. Kaufman released by Random House in 2002. Significantly, Kaufman strongly disputes the frequently cited CT that Soros collaborated with the Nazis during his youth in Budapest.

George's father Tividar arranged to have George stay with a man named Baumbach while George posed as a Christian named Sandor Kiss to hide his Jewish identify from the Nazis. As an employee of the Ministry of Agriculture, Baumbach was one day tasked with assessing the "artworks, furnishings and other property", of Mor Kornfield, a wealthy aristocrat of Jewish origin and decided to take George with him rather than leave him alone for several days.

George's father Tivadar, upon hearing the story, removed George from Baumbach's care and attempted to hide his son elsewhere. In contrast to the image of Soros's family provided by the 60 Minutes interview, according to Kaufman, George's father Tivadar labored part-time selling false identity and visa papers to Jews that might allow them to flee Germany. In Five Myths About George Soros; the *Washington Post* has written that Kroft's CBS interview led to the "ugliest conspiracy theory about Soros", as it was reprised later in harsher form by Glenn Beck for a Fox Cable News station and was later expanded by conspiracy theorist Alex Jones (and friend of LaRouche) to include the number of Jews supposedly killed by Soros.

As seen previously, LaRouche's original CT against Soros propagated to Malaysia, Trump's USA, Fox news, Hungary, Russia… :

THE SPREAD OF THIS LAROUCHE-MADE ANTI-SOROS CT GOT ITS BREAKTHOUGH IN 1997 IN MALAYSIA. The Asian Financial Crisis that year gave a boost of publicity and "credentials" to LaRouche's blaming of Soros.

In epidemiology, an outbreak is a sudden increase in the number of cases of a disease. This could lead to a cluster, to an epidemic or a pandemic when the contagion goes worldwide.

In political terms, such an 'outbreak' is known as '**breakthrough**'. And the anti-Soros CT has become a 'mental pandemic'.

The 1997 East Asian financial crisis started in Thailand with the financial collapse of the Thai *baht* after the Thai government was forced to float the *baht* due to lack of foreign currency to support its currency peg to the U.S. Dollar. In July, within days of the Thai *baht* devaluation, the Malaysian *ringgit* was heavily traded by speculators.

The LaRouche's analyses circulated widely in Malaysia's leading circles during this financial crisis.

Malaysian Prime Minister Mahathir bin Mohamad accused George Soros of ruining Malaysia's economy with "massive currency speculation". Soros claims to have been a buyer of the *ringgit* during its fall, having sold it short in 1997.

The Asian Financial Crisis that year of July 1997 gave some a boost of publicity and "credentials" to LaRouche's.

Then in April 1997, LaRouche published a dossier that will inspire most of the boogeyman anti-Soros CTs and campaigns:"**The true story of Soros the Golem"** in LaRouche's EIR (*Executive Intelligence Review*) as a SPECIAL REPORT prepared under the direction of Anno Hellenbroich in collaboration with Nancy Spannaus and Jeffrey Steinberg.

On page 4, William Engdahl, the first larouchie who took on Soros, commented about the Asian Financial Crisis of 1997 in typically apocalyptic terms, suggesting that the Asian financial bubble would lead to **a world financial crash possibly by October 1997.** So said LaRouche, the self-proclaimed "World's best forecaster":

> Why October? At this stage, all signs point to eruption of a major financial and monetary crisis sometime in the autumn. "Certainly by October," LaRouche stressed," we should expect a real, major blowout. October is the hot month, but this system is so unstable it could go any day."
>
> *World financial system 'at the boundary layer' By William Engdahl – EIR – August 29, 1997.*

The Asian Financial Crisis that year of 1997 gave some boost of publicity and "credentials" to LaRouche's. Referring to LaRouche, Malaysian prime minister Mahathir blamed publicly "Soros the Jew" for the crisis. The Asian edition of the "Wall Street Journal" even featured a **front-page article on LaRouche as the source of vilification against Soros.**

> The September 19, 1997 Asian edition of the "Wall Street Journal" featured a front-page article entitled "Malaysia's Mahathir Finds Strange Source for Soros Campaign; Asian Country's Media Tap U.S. Conspiracy theorist Lyndon LaRouche Jr."
>
> When Prime Minister Mahathir Mohamad recently accused financier George Soros of leading speculative attacks on Southeast Asian currencies, Malaysia's pro-government press quickly cranked out articles vilifying the American billionaire.
>
> **Some of their vitriol apparently came from an unusual source: a publication run by Lyndon LaRouche Jr.,** [*emph. added*] an eccentric 75-year-old American who spins elaborate conspiracy theories, has run unsuccessfully for president five times, and was convicted in 1989 of conspiracy charges in the U.S. […]
>
> Among other things, Mr. LaRouche has alleged that Mr. Soros is a key figure in a global financial conspiracy against sovereign nation-states involving, among others, the Queen of England, international drug cartels and the Israeli secret service. Mr. Soros's New York-based fund management firm didn't respond to requests for comment. Aryeh Neier, the president of Mr. Soros's Open Society Institute, says he won't "dignify" Mr. LaRouche's views with a formal reply.
>
> Mr. LaRouche has long been at odds with the U.S. political mainstream, which regards him as an extremist in his views about reforming the global financial system. But his theories receive a warmer reception in Malaysia, where the 60-page EIR report on Mr. Soros has been passed among Malaysian editors, intellectuals and politicians.

Malaysian prime minister Mahathir said this about the country's currency crisis: "**We do not want to say that this is a plot by the Jews, but in reality it is a Jew who triggered the currency plunge, and coincidentally Soros is a Jew.**" [*emph. added*]

Interestingly, *The Protocols of the Elders of Zion* anti-Semitic CT and hit the Muslim World, when published in Malaysia in 1991, by a local writer called Misbahul Islam Faruqi. In this edition Faruqi tells his readers that the *Protocols* explain why the Muslim world faces dire threats from Israel, India and various world powers. Comments from Dennis King, American author of "*Lyndon LaRouche and the New American Fascism*" (1989) about this situation:

> Here is a good description – from Italy's most widely read and prestigious daily newspaper – of the **LaRouche movement's success in using the "Symbolic Evil Jew" tactic to encourage anti-Semitism under the cover of attacks on controversial Jewish individuals such as George Soros**. [*emph. added*] Dr. Mahathir bin Mohamad, Prime Minister of Malaysia from 1981 to 2003, adopted this and other propaganda themes from the LaRouchians in the 1990s. The influence on people around Mahathir was exerted not by LaRouche himself but by correspondents of his Executive Intelligence Review, who cultivated contacts with Malaysian government officials, stroking their egos through articles and interviews that gave them the media attention (or at least the appearance of such attention) they could not easily have obtained from mainstream Western newspapers and magazines. (EIR used the same tactic in the late 1970s and early 1980s to construct profiles of relatively obscure public figures in Latin America for the CIA.)

SEE LAROUCHE'S ANTISEMITIC MOTIVATION

Bucked up by this coverage, fringe LaRouche and his cult commented on this "Wall Street Journal" article:

> "**At the IMF meeting: Soros battles LaRouche**" by Richard Freeman:
>
> While the International Monetary Fund and World Bank held their annual meeting in Hong-Kong on Sept. 20-25, planning to further push the deadly globalization and deregulation of the world financial system, economist Lyndon LaRouche, who has a 25-year history of opposition to IMF-steered genocide and the IMF-created financial bubble, **emerged publicly at the center of the policy fight against speculator George Soros and the IMF**. [*emph. added*]
>
> *At the IMF meeting: Soros battles LaRouche. By Richard Freeman – LaRouche's EIR (Executive Intelligence Review) – October 3, 1997.*

Michael O. Billington, an activist in the LaRouche Movement, as Asia editor for the *Executive Intelligence Review* (EIR) wrote in his book "*Reflections Of An American Political Prisoner: The Repression And Promise Of The LaRouche Movement As Seen By Michael O. Billington*" (2000) about the "role" of LaRouche in regards of the Malaysian financial crisis of 1997:

> In the summer of 1997, Gail [*Billington*, note] received a call from an Asian Wall Street Journal journalist, […]. "What's the story on EIR's relation to Malaysia?" he asked. He was particularly anxious to see our "report on George Soros," and asked for an interview with Lyn (Lyndon LaRouche, note) , which Gail arranged for him. Dr. Mahathir was scheduled to be the keynote speaker at the annual international IMF conference, to be held in Hong-Kong the week of September 19, 1997. His invitation to give that speech demonstrates how much he had previously been viewed by the IMF as a hero of globalization. Now, however, the fire-breathing Prime Minister was feared to be preparing a stinging attack on the institution he was addressing!
>
> On the opening day of the conference, the Asian edition of the Wall Street Journal — certain to be read by every participant at the IMF extravaganza in Hong-Kong — carried a front-page article entitled: "Malaysia's Mahathir Finds Strange Source For Soros Campaign — Asian Country's Media Tap U.S. Conspiracy Theorist Lyndon LaRouche, Jr." The article was co-authored by the editor who had spoken with Gail and Lyn. The standing order to never cover anything LaRouche actually said or did – only slanders allowed, please–was partially breached on this occasion, in an effort to discredit Dr. Mahathir by association with LaRouche. The article described Dr. Mahathir's attacks on George Soros, and those of Malaysia's leading newspaper, the New Straits Times. "For readers of Mr. LaRouche's Executive Intelligence Review, [their] words would have rung a bell," said the Journal, and then quoted from the EIR Special Report, "The True Story of Soros the Golem." It did not use the normal obligatory label of "political extremist" for LaRouche, but only reported that "the U.S. political mainstream regards him as an extremist." "But," the article continued, "his theories receive a warmer reception in **Malaysia, where the 60-page EIR report on Mr. Soros has been passed among Malaysian editors, intellectuals, and politicians**. . . . **A Malaysian embassy official in Washington says that the embassy has regularly dispatched EIR reports to Kuala Lumpur**." [*emph. added*] The crucial role of EIR in galvanizing resistance to the IMF and the speculators in Southeast Asia became even more explicit in September 1998, when Dr. Mahathir did the "unthinkable — he broke with IMF free-trade dogma, imposing selective currency controls and shutting down speculation, exactly as LaRouche had recommended.
>
> *"Reflections Of An American Political Prisoner: The Repression And Promise Of The LaRouche Movement As Seen By Michael O. Billington" (2000).*

Michael O. Billington is a criminal who had spent time in prison. In the latter part of the 1980s, there were numerous criminal trials of LaRouche movement leaders. Billington was tried and convicted twice, first in Federal court charged with four counts of conspiracy to commit mail fraud, then in Virginia state court. He served two years of a three-year sentence in the first case, and was then re-tried in the state of Virginia and charged with nine felony counts of "conspiracy to be an unregistered securities broker" and sentenced to 77 years. He wrote this book in prison.

Some noted that this crazy Soros CT of a monstrous Jewish puppet master was already out since the mid-1990s from the crazy LaRouche political cult, but he was then dismissed because he was considered a crank.

LaRouche's clearly warned there is a **war** between George Soros and himself.

> **… Soros cannot politically co-exist with Lyndon LaRouche**, [*emph. added*] who delivered the first defeat of Soros's drug-pushing in many years, when a November 2002 referendum George Soros, the financial mega-speculator, looter of Third World resources, funder and promoter of dope legalization. LAROUCHE'S ANTI-SEMITISM

HOLOCAUST DENIAL. There were "no extermination camps" according to LaRouche: "only 1.5 million Jews" died in such "slave-labor concentration camps". For him the "six million" was a Zionist myth!

For LaRouche:

- There were "**no extermination camps**": LaRouche always spoke only of "slave-labor" or "concentration" camps, and that Nazism or fascism were a mere "economic" consequence of "Schachtian austerity".
- According to LaRouche "**only 1.5 million Jews**" died in such "slave-labor concentration camps". For him the "six million" was a Zionist myth! He wrote:

> “The impassioned sophistry which the Zionist demagogue offers to all foolish enough to be impressed with such hoaxes as the “holocaust” thesis: […] in memory of the “six million.”
>
> This is worse than sophistry. It is a lie. True, about a million and a half Jews did die as a result of the Nazi policy of labor-intensive “appropriate technology” for the employment of “inferior races,” a small fraction of the tens of millions of others, especially Slavs, who were murdered in the same way that Jewish refugee Felix Rohatyn and others of his ilk propose to revive today.” [4]

This “1.5 million” figure that LaRouche used came from a short book published in 1969 by American neo-Nazi Willis Carto’s “Liberty Lobby”and called “The Myth of the Six Million” by David Hoggan. It is the only book giving that specific figure. This definitely proves and confirms that LaRouche was associated and propagating such Holocaust denial and anti-Semitic propaganda.

CONSPIRACY THEORIST LAROUCHE HAD CONNECTIONS TO NAZIS YET CALLED HIS JEWISH ENEMIES… “NAZIS!”

On LaRouche’s association with the neo-Nazi Carto’s “Liberty lobby”; read Dennis King, American author of “*Lyndon LaRouche and the New American Fascism*” (1989), Chapter Six – The Jewish Question:

> **Carto, founder of the "Liberty Lobby", was by far the most successful and influential American anti-Semite of the 1970s.** [*emph. added*] He was an intellectual disciple of the late Francis Parker Yockey, who roamed Europe and North America in the 1950s futilely attempting to build an underground movement. […] But Carto, although devoted to Yockey's ideas, had no illusions about Yockey's tactics. Instead on engaging in inept conspiracies, he concentrated on building a political movement and developed a populist cover ideology. Although he discreetly sold '*Mein Kampf*' and '*The Protocols of the Elders of Zion*' by mail, he publicly denied being either a Nazi or an anti-Semite – he was merely 'anti-Zionist.'
>
> Carto defended Hitler's heritage, not by saying the Holocaust had been a good thing, but by denying that it ever took place. He founded the "*Institute for Historical Review*" to prove that the alleged murder of six million Jews was a hoax invented by Zionists to make people feel sorry for them. […]
>
> Carto's "*Liberty Lobby*" […] published a weekly tabloid, '*The Spotlight,*' which by 1979 enjoyed a paid circulation of almost 200,000. Its articles championed income-tax rebels, protested the plight of family farmers, and promoted quack cancer cures such as laetrile. Its favorite political targets included the Rockefellers, the Rothschilds, Henry Kissenger, the Council on Foreign Relations, and the 'Zionist entity' in Palestine.
>
> **As early as 1975, Carto chatted frequently with Scott Thompson, and LaRouche himself visited "*Liberty Lobby*" headquarters** [*emph. added]* to meet with Colonel Dall. A multilevelled collaboration soon developed between the two organizations. They shared intelligence on various targets, including William F. Buckley and Resorts International. 'The Spotlight' published articles by Thompson and other [LaRouche's] NCLC members writing under pen names. It also sold LaRouchian tracts through its mail-order service. […]
>
> A 1976 '*Spotlight*' review of an [LaRouche's] NCLC report on terrorism complained that the [LaRouche's] NCLC still failed to recognize the role of the Jewish bankers. LaRouche received the message loud and clear. A wave of articles in [LaRouche's] '*New Solidarity'* blamed the Rothschilds and other Jewish bankers for a wide range of crimes, including the assassination of Abraham Lincoln. A 1977 piece by LaRouche admitted the "*Liberty Lobby*" had been ahead of the [LaRouche's] NCLC in identifying the main enemy, (LaRouche subsequently met with Carto in Wiesbaden. Questioned about this meeting during a 1984 disposition, LaRouche recalled that they had discussed 'the Jewish question' as well as the 'abomination' of American's postwar occupation of Germany."
>

So LaRouche blamed the Jews for a Holocaust he denied to have existed!

Der ewige Jude

-

In 1940, the German Nazi anti-Semitic propaganda film "The Eternal Jew" (*Der Ewige Jude*), although presented as a "documentary", was re-exploring some old anti-Semitic medieval mythologies arguing that the Jew is an "**oriental barbarian**" who has insinuated himself cleverly into European society, and now exploits it **parasitically**. Germany's Minister of Propaganda, Joseph Goebbels' film appears to have been intended as a violently anti-Semitic version against the British film 'The Wandering Jew', which argued that Jews were **victims** of relentless persecution throughout history. Goebbels' intent was to counter three films: 'Jew Süss,' 'The House of Rothschild', and 'The Wandering Jew.' The Eternal Jew 1940 aka *Der Ewige Jude* video.

These three films, all released in 1933–34, showed that Jews were persecuted throughout history; the Goebbels films presented the opposite message. This point is emphasized throughout the film, starting from the very opening lines commentary: "**Jews as an uncivilized and PARASITIC people.**" The film uses a montage that juxtaposes images of ghetto Jews next to images of rats to draw an analogy between the migration of Jews from Eastern Europe with the migration of rats. This imagery was resurrected with the infamous Syrian refugees Brexit poster in 2016.

The narrator states that, as rats are the vermin of the animal kingdom, Jews are the vermin of the human race and similarly spread disease and corruption. Unlike rats, however, the narrator continues, Jews have the uncanny ability to change their appearance and blend into their "human hosts."

The narrator states:

> "Where rats appear, they bring ruin by destroying mankind's goods and foodstuffs. In this way, they spread disease, plague, leprosy, typhoid fever, cholera, dysentery, and so on. They are cunning, cowardly and cruel and are found mostly in large packs. Among the animals, they represent the rudiment of an insidious, underground destruction – just like the Jews among human beings."

The film also claims that:

> "[Jewish people] need other people because they need the goods with which to carry on business. The things that are valued by the creative Aryan peoples have been reduced by the Jew to the level of a mere piece of merchandise, which he buys and sells but cannot produce himself. He leaves production to the labourers and peasants of the people upon whom he has imposed his presence. The Jews are a race without farmers and without manual labourers, a race of PARASITES."

The film concludes with footage of Hitler's speech in the *Reichstag* in which he takes on **international Jewish financiers**… such as today's George Soros.

> George Soros is not a Democrat. He is, like Shultz, a high-level operative of the "Synarchists," the international fascist movement created in the 1780s in reaction against the American Revolution, to impose "beast-man" dictators from Napoleon Bonaparte, to Adolf Hitler, to Vice President Dick Cheney. The Synarchist International (see "Synarchy vs. America," EIR, Sept. 5) is the heart of the drug and terrorism operations that are used to destabilize most of the nations targetted by Dick Cheney's cabal today.

With the internet, the old-time anti-Semitism is surging back just as it always has, every time a new technology offers another way to spread this “rumor about the Jews.” Here we had the infamous case of *The Protocols of the Elders of Zion* or a rumour that wouldn’t die and helped to kill millions. When rumors or lies spread, become ‘viral’, they naturally grow bigger and spread like mental viruses.

Comparing the first two months of 2020 with the first two of 2021, the findings show a seven-fold increase in anti-Semitic content on Twitter, Facebook and Telegram in French, and over a thirteen-fold increase in antisemitic content in German. New study shows rise in antisemitic online content during the pandemic.

> Aggressive language towards Soros has exploded on social media sites like Twitter, where a sample assessment showed that negative tweets about Soros rose from 20,000 per day on May 26 to more than 500,000 per day on May 30.
>
> The vast majority of these tweets allege that Soros is paying protestors to riot, and that he funds antifa. A smaller number claim that he plans to radicalize African Americans in order to undermine society and enable the globalist takeover of America, while some go so far as to claim that George Floyd’s death was actually a false flag deployed by Soros in order to precipitate the current crisis.
>
> This comes as social media was already rife with Soros conspiracy theories alleging he is responsible for the spread of COVID-19, and that he will use efforts to fight the virus using contact tracing to implement mass surveillance.

In 2019, the situation went even more transparent after the impeachment inquiry into US President Donald Trump’s alleged scheme to pressure Ukraine to investigate his political rival Joe Biden started. The hearings revealed that this “Soros conspiracy theory” was part of Donald Trump’s obsessions, paranoia and alternative reality.

That year, the “Soros conspiracy theory” situation went even more public. The hearings revealed that this “Soros conspiracy theory” was part of Donald Trump’s obsessions, paranoia and alternative reality.

Mother Jones reported:

> For some of Donald Trump’s most enthusiastic backers, the chief villain of the Ukraine scandal is not Adam Schiff or Hunter Biden. It’s George Soros. The liberal billionaire has long been a favorite bogeyman on the right due to his support for progressive causes at home and political reforms abroad. But attacks on Soros — including conspiracy theories with anti-Semitic overtones — have grown even more prominent since the start of the House impeachment inquiry.

> *The George Soros Conspiracy Theory at the Heart of the Ukraine Scandal. By Dan Spinelli – Mother Jones – November 22, 2019.*

Even Mr. Lev Parnas, a principal associate and representative of Mr. Rudy Giuliani (president Trump’s lawyer) who was involved in the “Ukraine dossier,” commented that it all sounded like in **a cult**:

> “*Soros became Enemy Number One, and it was understood that Soros infiltrated the U.S. government and State Department over a certain period of time*,” Parnas told Daily Beast reporter Betsy Swan [7], echoing widespread Soros conspiracy theories popular in right-wing circles in the United States and across Europe. […]
>
> “*The consensus was that the reason Trump had Russiagate and everything that was happening was because Soros and the Democrats controlled certain U.S. embassies in Eastern Europe, particularly the Ukrainian one, and were able to help with the Manafort stuff and all other kinds of stuff that basically caused problems in Trump World,*” he [*Parnas*] said. […] Asked if he believed the theories he heard about Soros, Parnas said he got “sucked in” at the time. “*When you’ve got the president saying it, you’ve got his attorneys saying it, you’ve got all these congressmen saying it, you’ve got all these senators saying it – again, when I say Trump World, that small inner-whatever, everybody would talk about it: ‘This Soros guy.’* ***That’s why I look at it as a cult.***” [*emph. added*]

THE FIRST 'PROTOCOLS OF THE ELDERS OF ZION' was a notorious, fraudulent and fabricated anti-Semitic CT meant to describe a secret Jewish plan for global domination.

This CT was written an fabricated as an anti-Semitic text. It is now universally recognized as a forgery supposed to describe a "secret Jewish plot (cabal) for global domination."

The document was forged by the Russian secret police and first published in Russia in 1903: portions of the *Protocols* were serialized in a Russian newspaper, *Znamya* (The Banner). This version of the *Protocols* was then published in Russia in 1905 as an appendix to *The Great in the Small: The Coming of the Anti-Christ and the Rule of Satan on Earth*, by Russian writer and mystic Sergei Nilus. Its intent was to portray Jews as conspirators against the state. In 24 chapters, or 'protocols', the allegedly minutes from secret meetings of Jewish leaders, the *Protocols* "describes" the "secret plans" of Jews seeking to attain world domination by manipulating the economy, controlling the media, and fostering religious conflict. Pretty much what George Soros is accused of today.

It is the most notorious and widely distributed anti-Semitic "Conspiracy Theory" (CT) of modern times, which fuelled anti-Semitism in the early 20th century leading to the Nazi genocide ('final solution') against the Jews.

After the fall of Tsars, following the Russian Revolution of 1917, anti-Bolshevik white russian émigrés brought the *Protocols* to the West. Soon after, editions circulated across Europe, the United States, South America, and Japan.

After Russia this forgery reached Germany thanks to the top Nazi ideologue Alfred Rosenberg, a neurotically obsessed with super-natural conspiracies and dark, occult powers; Freemasons were responsible for the outbreak of the World War 1 while "international Jews" had manipulated and controlled the Russian Bolshevik Revolution. Rosenberg was one of the main disseminators of 'The Protocols of the Elders of Zion' in Germany. He translated and published them in German 1923. He wrote the same year 'The Jewish Bolshevism' and was first introduced to Adolf Hitler by Dietrich Eckart and held several important posts in the Nazi government.

Then the forgery reached the USA. Beginning in 1920, American industrialist and business magnate, Henry Ford funded the printing of 500,000 copies that were distributed throughout the United States. Henry Ford's newspaper, *The Dearborn Independent,* published a series of articles based in part on the *Protocols*. Henry Ford also owned, published, and distributed '*The International Jew*', the book that included this series, and that was translated into at least 16 languages.

Both Adolf Hitler and Joseph Goebbels, later head of the propaganda ministry, praised Ford and *The International Jew.*
Ford's role to spread this CT was similar to what Fox News attempted against Soros in 2003. And like the case of the 'Protocols', the more discredited the more it kept spreading and growing.

Although thoroughly discredited, the document is still believed and used today to stir up anti-Semitic hatred worldwide.

The *Protocols* C.T. still remains widely available in numerous languages, in print, and on the Internet, and continues to be presented by neofascist, fundamentalist, and antisemitic groups as a genuine document. An Arabic translation first appeared in the 1920s.

A NEW 'MENTAL VIRUS' VARIANT OF THE 'PROTOCOLS' CT? During the inquiry stage of Trump's impeachment, witnesses such as Dr. Fiona Hill: Anti-Semitic Conspiracy Theories About George Soros Are "The New Protocols Of The Elders Of Zion".

Despite of being exposed as a fraud, many people keep believing it.

The Lie That Will Not Die: The Protocols of the Elders of Zion By Dave Rich. Published on 31 July 2020.

This hoax came back in the most public and timely way; at Donald Trump's impeachment hearings last year regarding his hostile stance against Jewish financier George Soros. On Oct. 13, 2016, the then Republican presidential candidate, said his Democratic opponent, Hillary Clinton, "meets in secret with international banks to plot the destruction of U.S. sovereignty in order to enrich these global financial powers." In The New York Times, Jonathan Martin said Mr. Trump veered "dangerously close to the territory of 'The Protocols of the Elders of Zion.' Source: 1920-21 | Exposing the 'Protocols' as a Fraud.

During the inquiry stage of **Trump's impeachment,** witnesses such as Dr. Fiona Hill were interviewed and revealed on record how bad this has become.

Dr. Hill, who was an intelligence analyst under Presidents George W. Bush, Barack Obama and Donald Trump as the top Russia expert on the National Security Council, answered questions about these "Conspiracy Theories" (CTs) against Mr. George Soros:

During the inquiry stage of Trump's impeachment, witnesses such as Dr. Fiona Hill revealed on record how bad all this has become. Dr. Hill, who was an intelligence analyst under Presidents George W. Bush, Barack Obama and Donald Trump as the top Russia expert on the National Security Council, answered questions about these conspiracy theories against Mr. George Soros:

> "This is the longest-running anti-Semitic trope that we have in history, and a trope against Mr. Soros was also created for political purposes, and this is the new *Protocols of The Elders of Zion*… "
>
> *Fiona Hill: Anti-Semitic Conspiracy Theories About George Soros Are "The New Protocols Of The Elders Of Zion"; By Tim Hains – RealClearPolitics (RCP) – November 21, 2019.*

See 2019: TRUMP'S IMPEACHMENT. Witness Dr. Fiona Hill considered these anti-Soros CTs as new 'Protocols of The Elders of Zion'.

American investigative reporter, independent scholar and activist specializing in the study of extreme right-wing movements in the United States Chip Berlet wrote on such Conspiracy Theories:

> **THE ROOTS OF MODERN CONSPIRACY THEORIES**
>
> Any claim that there is a vast, longstanding, secret conspiracy involving Jews manipulating the government, media, and banks is antisemitic. Sometimes conspiracy theorists replace "Jews" with phrases such as "cliques of bankers and financiers" or "Bankster Rule," (Webster Griffin Tarpley [a larouchian, note]) or the "financial oligarchy run by the 'Crown' which refers to the 'City of London'" (Henry Makow)[16] or the "neo-Venetian circles of the Anglo-Dutch philosophically liberal circles of rentier-financier power" (Lyndon LaRouche). Whether or not it is intentional, these phrases are historically linked to conspiracy claims about the vast Jewish plot that gained fame through Hitler's favorite hoax document, the "*Protocols of the Elders of Zion*".
>
> *"Toxic to Democracy: Conspiracy Theories, Demonization, & Scapegoating", 2009, Political Research Associates. By Chip Berlet.*

Chip Berlet, likewise asserted: "The LaRouche organization is currently the world's largest distributor of literature based on 'coded anti-Semitism', rooted in the false allegation of the Protocols of the Elders of Zion."

Such CTs spread the lies that liberal Jewish billionaire investor George Soros is the puppeteer behind everything from the International Women's Day strike to Black Lives Matter to Trump protesters to the European refugee crisis to the debunked DC-pizzeria-based child sex ring scandal known as "Pizza Gate." None of these claims have any truth. But whenever paranoid populists get a hold of new media tech, the Jewish puppet master conspiracy theory reappears with an updated figurehead. The internet just provides the newest bullhorn for a millennia-old smear campaign. See The Internet Protocols of the Elders of Zion. By Emma Grey Ellis - WIRED - March 12, 2017.

As the biological virus spreads, it may change and become harder to stop. This analogy could apply to ‘mental viruses’, as explored in my book 2020: MENTAL & VIRAL.

TWIN ‘PLAGUES’: BIOLOGICAL & MENTAL

1. BIOLOGICAL PANDEMIC: COVID-19
2. “MENTAL VIRUS” PANDEMIC: “BROWN PLAGUE”

These two ‘plagues’ feed on each other. The biological epidemic causes fear causing a mental epidemic spreading itself via CTs which in turn further the spread of the biological epidemic.

I consider and explained in my 2020: MENTAL & VIRAL book why CTs could be considered as the ‘mental’ equivalent of a ‘biological virus’.

CHAIN OF INFECTION: infectious diseases result from the interaction of agent, host (reservoir), and environment, leaving its host through a portal of exit, and enters through an appropriate portal of entry such as a CT. Conspiracy Theories are a major “portal of entry” in a chain of infection of “mental viruses”.

As the CDC explains:

> Lesson 1: Introduction to Epidemiology
>
> **Section 10: Chain of Infection**
>
> As described above, the traditional epidemiologic triad model holds that infectious diseases result from the interaction of agent, host, and environment. More specifically, transmission occurs when the agent leaves its **reservoir** or host through a **portal of exit**, is conveyed by some **mode of transmission**, and enters through an appropriate **portal of entry** to infect a **susceptible host**. This sequence is sometimes called the chain of infection.

C.Ts. (conspiracy theories) are a major “portal of entry” in a chain of infection of “mental viruses”. Once somebody’s brain is infected with such C.T., that person will be immersed and “hooked” in another belief; down the “rabbit;s whole”. The C.T. is always part of a bigger picture.

These anti-Soros CTs may not succeed in becoming another ‘Ptotocols’ but it is a constant fight comparable to the century old humanity’s fight against biological ‘plagues’.

This requires breaking the ‘chain of infection’ and imposing a vaccination program which means for combating toxic ‘mental viruses’: information and education.

MUTATIONS: VARIANTS

Variants describe the version of the biological virus that has changed, through mutation, from the original virus. Some changes and mutations allow the biological virus to spread more easily or make it resistant to treatments or vaccines.

New variants of SARS-CoV-2, the virus that causes COVID-19, will continue to occur. The Omicron variant emerged in November 2021.

The WHO says:

> All viruses, including SARS-CoV-2, the virus that causes COVID-19, change over time. Most changes have little to no impact on the virus’ properties. However, some changes may affect the virus’s properties, such as how easily it spreads, the associated disease severity, or the performance of vaccines, therapeutic medicines, diagnostic tools, or other public health and social measures.
>
> *Tracking SARS-CoV-2 variants WHO WORLD HEALTH ORGANIZATION*

Biological viruses constantly change through mutation and sometimes these mutations result in a new variant of the virus. Some changes and mutations allow the virus to spread more easily because not recognised by our immune system or make it more resistant. As the virus spreads and mutates, it may become harder to stop.

The same applies to ‘mental viruses’ such as this new ‘protocols’.

George Soros has been portrayed by conspiracy theorists as a modern day “Rothschild,” as a “boogeyman,” a “puppetmaster.” These new C.P.s are just new mental virus VARIANTS of the old “Protocols” CT .

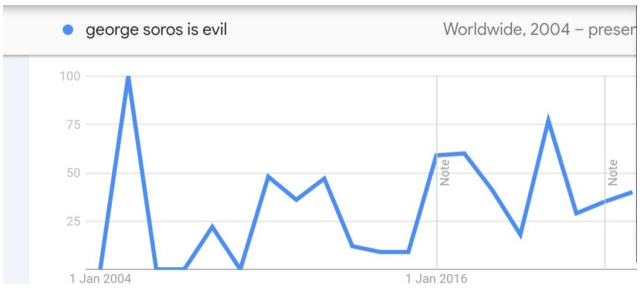
‘MENTAL ‘ SUPER-SPREADERS EVENTS

In my coming book 2020: MENTAL & VIRAL I applied the analogy of biological viruses’ SUPER-SPEADERS to hypothesized mental viruses which I identifies to modern day CTs.

In biology, a super-spreader is someone who has any viral infection such as SARS-CoV-2, influenza, HIV or measles. It only takes a single infected person to infect many. One person infected with COVID-19 will usually infect around three other people (ECDC May 2020). A super-spreader is someone who infects more than this number of people. They are highly infectious.

A super-spreader **event** of biological virusesis a situation, where a gathering of people leads to an outbreak of infections.

In the case of the anti-Soros CT, five ‘mental viruses’ super-spreader events were identified here:



google trends. March 2023.

DEFEATING THE LAROUCHE‘S ‘MENTAL VIRUS’ SUPER-SPREADER. Breaking the chain of infection.

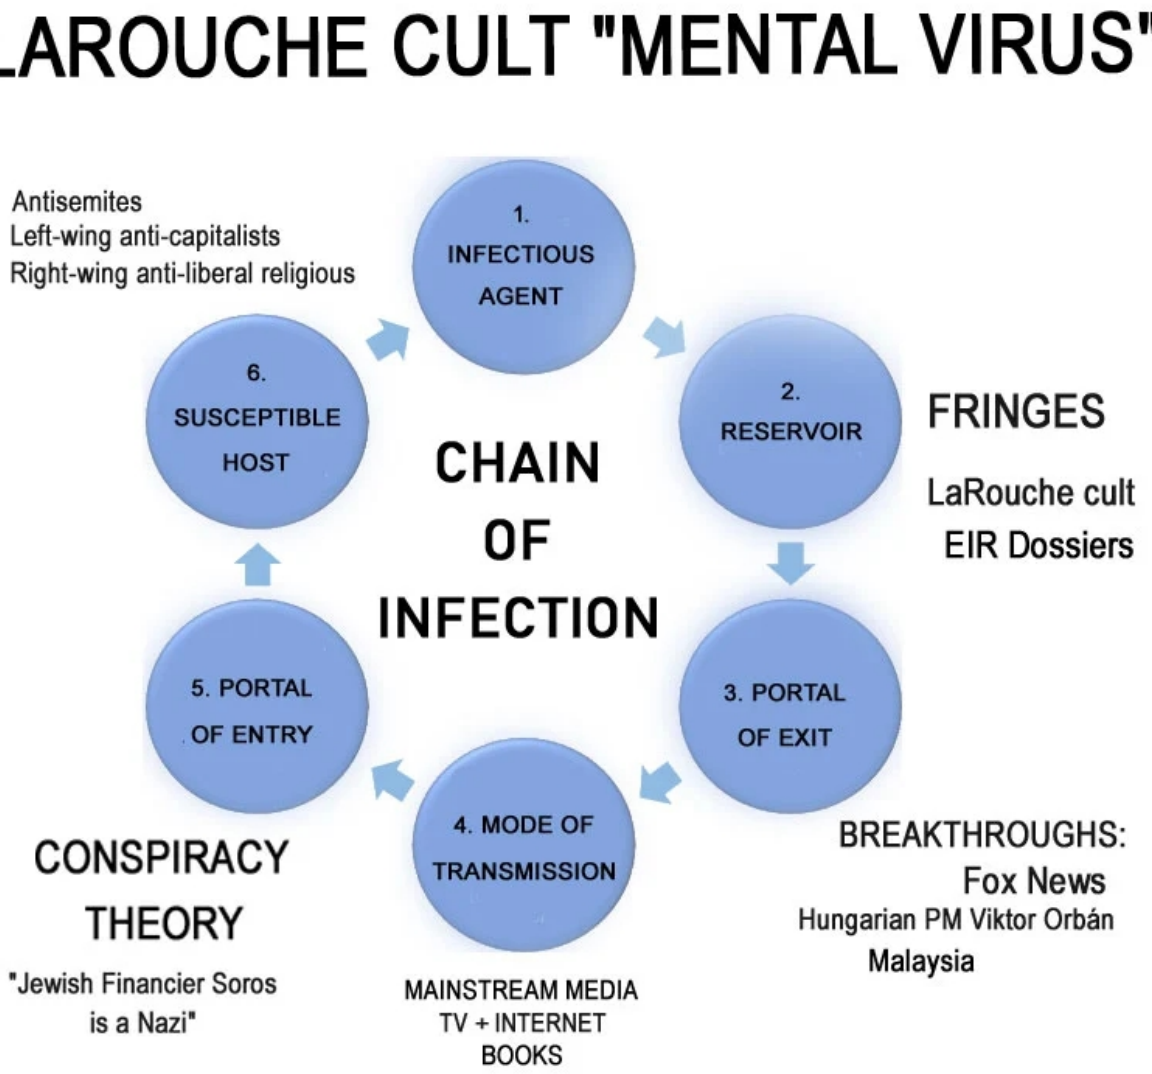
The experiences learned from ‘biological viruses’ (or ‘plagues’) are lessons we can transpose successfully to mitigate, combat, defeat and recover from such “mental viruses’ as explored in my book 2020: MENTAL & VIRAL.

This does apply not just to biological viruses. It could also apply to my hypothesized mental viruses such as CTs.

One basic method to defeat the spread of a virus, be it biological or mental, is to disrupt and break the ‘Chain of Infection’. Regardless the ‘infectious agent ‘ (pathogen), there are six points at which this chain can be broken and a a virus, be it biological or mental, can be stopped from infecting another person. The six links include:

1. Infectious agent
2. Reservoir
3. Portal of exit
4. Mode of transmission
5. Portal of entry
6. Susceptible host

This is being explored in more details in my explored in my book 2020: MENTAL & VIRAL.



The same tested and proved successful method of breaking the ‘chain of infection’ of biological ‘infectious agents’ can be applied to expose and defeat any CTs or cults.

I have been actively involved in a successful international campaign to expose and defeat the LaRouche totalitarian cult superspreader.
